22 and lawful use of the Rights-of-Way within the City to construct, operate, maintain, reconstruct,  
23 and rebuild a Cable System for the purpose of providing Cable Service subject to the terms and  
24 conditions set forth in this Franchise and in any prior utility or use agreements entered into by  
25 Grantee with regard to any individual property. This Franchise shall constitute both a right and an

1 obligation to provide the Cable Services required by, and to fulfill the obligations set forth in, the  
2 provisions of this Franchise.

3 (B) Nothing in this Franchise shall be deemed to waive the lawful requirements of any  
4 generally applicable City ordinance existing as of the Effective Date, as defined in subsection 2.3.

5 (C) Each and every term, provision, or condition herein is subject to the provisions of  
6 state law, federal law, the Charter of the City, and the ordinances and regulations enacted pursuant  
7 thereto. The Charter and Municipal Code of the City, as the same may be amended from time to  
8 time, are hereby expressly incorporated into this Franchise as if fully set out herein by this  
9 reference. Notwithstanding the foregoing, the City may not unilaterally alter the material rights and  
10 obligations of Grantee under this Franchise.

11 (D) This Franchise shall not be interpreted to prevent the City from imposing additional  
12 lawful conditions, including additional compensation conditions for use of the Rights-of-Way,  
13 should Grantee provide service other than Cable Service.

14 (E) Grantee promises and guarantees, as a condition of exercising the privileges  
15 granted by this Franchise, that any Affiliate of the Grantee directly involved in the offering of Cable  
16 Service in the Franchise Area, or directly involved in the management or operation of the Cable  
17 System in the Franchise Area, will also comply with the obligations of this Franchise.

18 (F) No rights shall pass to Grantee by implication. Without limiting the foregoing, by  
19 way of example and not limitation, this Franchise shall not include or be a substitute for:

20 (1) Any other permit or authorization required for the privilege of transacting  
21 and carrying on a business within the City that may be required by the ordinances and laws  
22 of the City;

23 (2) Any permit, agreement, or authorization required by the City for Right-of-  
24 Way users in connection with operations on or in Rights-of-Way or public property  
25 including, by way of example and not limitation, street cut permits; or

1           (3) Any permits or agreements for occupying any other property of the City or  
2 private entities to which access is not specifically granted by this Franchise including,  
3 without limitation, permits and agreements for placing devices on poles, in conduits or in or  
4 on other structures.

5           (G) This Franchise is intended to convey limited rights and interests only as to those  
6 Rights-of-Way in which the City has an actual interest. It is not a warranty of title or interest in any  
7 Right-of-Way; it does not provide the Grantee with any interest in any particular location within the  
8 Right-of-Way; and it does not confer rights other than as expressly provided in the grant hereof.

9           (H) This Franchise does not authorize Grantee to provide Telecommunications Service,  
10 or to construct, operate, or maintain Telecommunications facilities separate from those used to  
11 provide Cable Service. This Franchise is not a bar to the provision of non-Cable Services, or to the  
12 imposition of any lawful conditions on Grantee with respect to Telecommunications, whether  
13 similar, different, or the same as the conditions specified herein. This Franchise does not relieve  
14 Grantee of any obligation it may have to obtain from the City an authorization to provide  
15 Telecommunications Services, or to construct, operate, or maintain Telecommunications facilities  
16 separate from those used to provide Cable Service, or relieve Grantee of its obligation to comply  
17 with any such authorizations that may be lawfully required.

18           2.2 Use of Rights-of-Way.

19           (A) Subject to the City's supervision and control, Grantee may erect, install, construct,  
20 repair, replace, reconstruct, and retain in, on, over, under, upon, across, and along the Rights-of-  
21 Way within the City such wires, cables, conductors, ducts, conduits, vaults, manholes, amplifiers,  
22 pedestals, attachments, and other property and equipment as are necessary and appurtenant to the  
23 operation of a Cable System within the City. Grantee, through this Franchise, is granted extensive  
24 and valuable rights to operate its Cable System for profit using the City's Rights-of-Way in  
25 compliance with all applicable City construction codes and procedures. As trustee for the public,

1 the City is entitled to fair compensation as provided for in Section 3 of this Franchise to be paid for  
2 these valuable rights throughout the term of the Franchise.

3 (B) Grantee must follow City established nondiscriminatory requirements for  
4 placement of Cable System facilities in Rights-of-Way, including the specific location of facilities  
5 in the Rights-of-Way, and must in any event install Cable System facilities in a manner that  
6 minimizes interference with the use of the Rights-of-Way by others, including others that may be  
7 installing communications facilities. Within limits reasonably related to the City's role in  
8 protecting public health, safety, and welfare, the City may require that Cable System facilities be  
9 installed at a particular time, at a specific place, or in a particular manner as a condition of access to  
10 a particular Right-of-Way; may deny access if Grantee is not willing to comply with City's  
11 requirements; and may remove, or require removal of, any facility that is not installed by Grantee in  
12 compliance with the requirements established by the City, or which is installed without prior City  
13 approval of the time, place, or manner of installation, and charge Grantee for all the costs associated  
14 with removal; and may require Grantee to cooperate with others to minimize adverse impacts on the  
15 Rights-of-Way through joint trenching and other arrangements.

16 2.3 Effective Date and Term of Franchise

17 This Franchise and the rights, privileges and authority granted hereunder shall take effect  
18 on October 28, 2019 (the "Effective Date"), and shall terminate on October 28, 2029 unless  
19 terminated sooner as hereinafter provided.

20 2.4 Franchise Nonexclusive

21 This Franchise shall be nonexclusive, and subject to all prior rights, interests, easements, or  
22 licenses granted by the City to any Person to use any property, Right-of-Way, right, interest, or  
23 license for any purpose whatsoever, including the right of the City to use same for any purpose it  
24 deems fit, including the same or similar purposes allowed Grantee hereunder. The City may at any  
25 time grant authorization to use the Rights-of-Way for any purpose not incompatible with Grantee's

1 authority under this Franchise and for such additional franchises for Cable Systems as the City  
2 deems appropriate.

3 2.5 Police Powers

4 Grantee's rights hereunder are subject to the police powers of the City to adopt and enforce  
5 ordinances necessary to the safety, health, and welfare of the public, and Grantee agrees to comply  
6 with all laws and ordinances of general applicability enacted, or hereafter enacted, by the City or  
7 any other legally constituted governmental unit having lawful jurisdiction over the subject matter  
8 hereof. The City shall have the right to adopt, from time to time, such ordinances as may be  
9 deemed necessary in the exercise of its police power; provided that such hereinafter enacted  
10 ordinances shall be reasonable and not materially modify the terms of this Franchise. Any conflict  
11 between the provisions of this Franchise and any other present or future lawful exercise of the  
12 City's police powers shall be resolved in favor of the latter.

13 2.6 Competitive Equity

14 (A) The Grantee acknowledges and agrees that the City reserves the right to grant one  
15 (1) or more additional franchises or other similar lawful authorization to provide Cable Services  
16 within the City. If the City grants such an additional franchise or other similar lawful authorization  
17 containing material terms and conditions that differ from Grantee's material obligations under this  
18 Franchise, then the City agrees that the obligations in this Franchise will, pursuant to the process set  
19 forth in this Section, be amended to include any material terms or conditions that it imposes upon  
20 the new entrant, or provide relief from existing material terms or conditions, so as to insure that the  
21 regulatory and financial burdens on each entity are materially equivalent. "Material terms and  
22 conditions" include, but are not limited to Franchise Fees and Gross Revenues; complementary  
23 services; insurance; system build-out requirements; security instruments; Public, Education, and  
24 Government Access Channels and support; customer service standards; required reports and related  
25 record keeping; competitive equity (or its equivalent); audits; dispute resolution; remedies; and

1 notice and opportunity to cure breaches. The parties agree that this provision shall not require a  
2 word-for-word identical franchise or authorization for a competitive entity, so long as the  
3 regulatory and financial burdens on each entity are materially equivalent. Video programming  
4 services (as defined in the Cable Act) delivered over wireless broadband networks are specifically  
5 exempted from the requirements of this Section.

6 (B) The modification process of this Franchise as provided for in Section 2.6 (A) shall  
7 only be initiated by written notice by the Grantee to the City regarding specified franchise  
8 obligations. Grantee's notice shall address the following: (1) identifying the specific terms or  
9 conditions in the competitive cable services franchise that are materially different from Grantee's  
10 obligations under this Franchise; (2) identifying the Franchise terms and conditions for which  
11 Grantee is seeking amendments; (3) providing text for any proposed Franchise amendments to the  
12 City, with a written explanation of why the proposed amendments are necessary and consistent.

13 (C) Upon receipt of Grantee's written notice as provided in Section 2.6 (B), the City  
14 and Grantee agree that they will use best efforts in good faith to negotiate Grantee's proposed  
15 Franchise modifications and that such negotiation will proceed and conclude within a ninety (90)  
16 day time period, unless that time period is reduced or extended by mutual agreement of the parties.  
17 If the City and Grantee reach agreement on the Franchise modifications pursuant to such  
18 negotiations, then the City shall amend this Franchise to include the modifications.

19 (D) In the alternative to Franchise modification negotiations as provided for in Section  
20 2.6 (C), or if the City and Grantee fail to reach agreement in such negotiations, Grantee may, at its  
21 option, elect to replace this Franchise by opting into the franchise or other similar lawful  
22 authorization that the City grants to another provider of Cable Services, with the understanding that  
23 Grantee will use its current system design and technology infrastructure to meet any requirements  
24 of the new franchise so as to insure that the regulatory and financial burdens on each entity are  
25 equivalent. If Grantee so elects, the City shall immediately commence proceedings to replace this

1 Franchise with the franchise issued to the other Cable Services provider.

2 (E) Notwithstanding anything contained in this Section 2.6(A) through (D) to the  
3 contrary, the City shall not be obligated to amend or replace this Franchise unless the new entrant  
4 makes Cable Services available for purchase by Subscribers or customers under its franchise  
5 agreement with the City.

6 (F) Notwithstanding any provision to the contrary, at any time that a wireline facilities  
7 based entity, legally authorized by state or federal law, makes available for purchase by Subscribers  
8 or customers, Cable Services or multiple Channels of video programming within the Franchise  
9 Area without a franchise or other similar lawful authorization granted by the City, then:

10 (1) Grantee may negotiate with the City to seek Franchise modifications as per  
11 Section 2.6(C) above; or

12 (2) the term of Grantee's Franchise shall, upon ninety (90) days written notice  
13 from Grantee, be shortened so that the Franchise shall be deemed to expire on a date  
14 eighteen (18) months from the first day of the month following the date of Grantee's notice;  
15 or,

16 (3) Grantee may assert, at Grantee's option, that this Franchise is rendered  
17 "commercially impracticable," and invoke the modification procedures set forth in Section  
18 625 of the Cable Act.

19 2.7 Familiarity with Franchise

20 The Grantee acknowledges and warrants by acceptance of the rights, privileges, and  
21 agreements granted herein, that it has carefully read and fully comprehends the terms and  
22 conditions of this Franchise and is willing to and does accept all lawful and reasonable risks of the  
23 meaning of the provisions, terms, and conditions herein. The Grantee further acknowledges and  
24 states that it has fully studied and considered the requirements and provisions of this Franchise, and  
25 finds that the same are commercially practicable at this time, and consistent with all local, state, and

1 federal laws and regulations currently in effect, including the Cable Act.

2 2.8 Effect of Acceptance

3 By accepting the Franchise, the Grantee: (1) acknowledges and accepts the City's legal  
4 right to issue and enforce the Franchise; (2) accepts and agrees to comply with each and every  
5 provision of this Franchise subject to Applicable Law; and (3) agrees that the Franchise was granted  
6 pursuant to processes and procedures consistent with Applicable Law and that it will not raise any  
7 claim to the contrary.

8 **Section 3. Franchise Fee Payment and Financial Controls.**

9 3.1 Franchise Fee

10 As compensation for the benefits and privileges granted under this Franchise and in  
11 consideration of permission to use the City's Rights-of-Way, Grantee shall continue to pay as a  
12 Franchise Fee to the City, throughout the duration of and consistent with this Franchise, an amount  
13 equal to five percent (5%) of Grantee's Gross Revenues.

14 3.2 Payments

15 Grantee's Franchise Fee payments to the City shall be computed quarterly for the preceding  
16 calendar quarter ending March 31, June 30, September 30, and December 31. Each quarterly  
17 payment shall be due and payable no later than forty-five (45) days after said dates.

18 3.3 Acceptance of Payment and Recomputation

19 No acceptance of any payment shall be construed as an accord by the City that the amount  
20 paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release  
21 of any claim the City may have for further or additional sums payable or for the performance of any  
22 other obligation of Grantee.

23 3.4 Quarterly Franchise Fee Reports

24 Each payment shall be accompanied by a written report to the City, or concurrently sent  
25 under separate cover, verified by an authorized representative of Grantee, containing an accurate

1 statement in summarized form, as well as in detail, of Grantee's Gross Revenues and the  
2 computation of the payment amount. Such reports shall detail all Gross Revenues of the Cable  
3 System.

4 3.5 Annual Franchise Fee Reports

5 Grantee shall, within sixty (60) days after the end of each year, furnish to the City a  
6 statement stating the total amount of Gross Revenues for the year and all payments, deductions, and  
7 computations for the period.

8 3.6 Audits

9 On an annual basis, upon thirty (30) days prior written notice, the City, including the City's  
10 Auditor or his/her authorized representative, shall have the right to conduct an independent  
11 audit/review of Grantee's records reasonably related to the administration or enforcement of this  
12 Franchise. Pursuant to subsection 1.28, as part of the Franchise Fee audit/review the City shall  
13 specifically have the right to review relevant data related to the allocation of revenue to Cable  
14 Services in the event Grantee offers Cable Services bundled with non-Cable Services. For purposes  
15 of this section, "relevant data" shall include, at a minimum, Grantee's records, produced and  
16 maintained in the ordinary course of business, showing the subscriber counts per package and the  
17 revenue allocation per package for each package that was available for City subscribers during the  
18 audit period. To the extent that the City does not believe that the relevant data supplied is sufficient  
19 for the City to complete its audit/review, the City may require other relevant data. For purposes of  
20 this Section 3.6, the "other relevant data" shall generally mean all: (1) billing reports, (2) financial  
21 reports (such as General Ledgers), and (3) sample customer bills used by Grantee to determine  
22 Gross Revenues for the Franchise Area that would allow the City to recompute the Gross Revenue  
23 determination. If the audit/review shows that Franchise Fee payments have been underpaid by five  
24 percent (5%) or more (or such other contract underpayment threshold as set forth in a generally  
25 applicable and enforceable regulation or policy of the City related to audits), Grantee shall pay the

1 total cost of the audit/review, such cost not to exceed two thousand five hundred dollars (\$2,500)  
2 for each year of the audit period. The City's right to audit/review and the Grantee's obligation to  
3 retain records related to this subsection shall expire three (3) years after each Franchise Fee  
4 payment has been made to the City.

5 3.7 Late Payments

6 In the event any payment due quarterly is not received within forty-five (45) days from the  
7 end of the calendar quarter, Grantee shall pay interest on the amount due (at the prime rate as listed  
8 in the Wall Street Journal on the date the payment was due), compounded daily, calculated from the  
9 date the payment was originally due until the date the City receives the payment.

10 3.8 Underpayments

11 If a net Franchise Fee underpayment is discovered as the result of an audit, Grantee shall  
12 pay interest at the rate of the eight percent (8%) per annum, compounded quarterly, calculated from  
13 the date each portion of the underpayment was originally due until the date Grantee remits the  
14 underpayment to the City.

15 3.9 Alternative Compensation

16 In the event the obligation of Grantee to compensate the City through Franchise Fee  
17 payments is lawfully suspended or eliminated, in whole or part, then Grantee shall pay to the City  
18 compensation equivalent to the compensation paid to the City by other similarly situated users of  
19 the City's Rights-of-Way for Grantee's use of the City's Rights-of-Way, provided that in no event  
20 shall such payments exceed the equivalent of five percent (5%) of Grantee's Gross Revenues  
21 (subject to the other provisions contained in this Franchise), to the extent consistent with Applicable  
22 Law.

23 3.10 Maximum Legal Compensation

24 The parties acknowledge that, at present, applicable federal law limits the City to collection  
25 of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that

1 at any time during the duration of this Franchise, the City is authorized to collect an amount in  
2 excess of five percent (5%) of Gross Revenues, then this Franchise may be amended unilaterally by  
3 the City to provide that such excess amount shall be added to the Franchise Fee payments to be paid  
4 by Grantee to the City hereunder, provided that Grantee has received at least ninety (90) days prior  
5 written notice from the City of such amendment, so long as all cable operators in the City are  
6 paying the same Franchise Fee amount.

7 No term or condition in this Franchise shall in any way modify or affect Grantee's  
8 obligation to pay in full the Franchise Fee percentage listed in this Franchise. Additionally, the  
9 PEG fee pursuant to Section 9.5, as well as any charges incidental to the awarding or enforcing of  
10 this Franchise, including payments for bonds, security funds, letters of credit, insurance,  
11 indemnification, penalties, or liquidated damage shall not be offset against Franchise Fees.  
12 Furthermore, the City and Grantee agree that any utility tax, business and occupation tax, or similar  
13 local tax of general applicability shall be in addition to any Franchise Fees required herein and there  
14 shall be no offset against Franchise Fees subject to Applicable Law. With the exception of the  
15 foregoing, Comcast reserves all rights to offset cash or non-cash payments from Franchise Fees,  
16 consistent with Applicable Law.

17 Should Grantee elect to offset commitments or initiatives such as complimentary cable  
18 service against the Franchise Fee in accordance with Applicable Law, including any Order resulting  
19 from the FCC's 621 proceeding, MB Docket No. 05-311, Grantee shall provide the City ninety (90)  
20 days' advance written notice. Discounted leased fiber or managed services provided under a  
21 separate contract with Comcast Business are not a non-cash commitment or initiative and shall not  
22 be offset.

23 Any decision or election by Comcast not to exercise any right it has under Applicable Law,  
24 including any Order by the FCC in the 621 proceeding, to offset cash or non-cash payments from  
25 Franchise Fees under or pursuant to this Franchise, shall not constitute a waiver of any such rights

1 Comcast may have under Applicable Law.

2 3.11 Tax Liability

3 The Franchise Fees shall be in addition to any and all taxes or other levies or assessments  
4 which are now or hereafter required to be paid by businesses in general by any law of the City, the  
5 State, or the United States including, without limitation, sales, use, and other taxes, business license  
6 fees, or other payments. Payment of the Franchise Fees under this Franchise shall not exempt  
7 Grantee from the payment of any other license fee, permit fee, tax, or charge on the business,  
8 occupation, property, or income of Grantee that may be lawfully imposed by the City. Any other  
9 license fees, taxes, or charges shall be of general applicability in nature and shall not be levied  
10 against Grantee solely because of its status as a Cable Operator, or against Subscribers, solely  
11 because of their status as such.

12 3.12 Financial Records

13 Grantee agrees to meet with a representative of the City upon request to review Grantee's  
14 methodology of record-keeping, financial reporting, the computing of Franchise Fee obligations,  
15 and other procedures, the understanding of which the City deems necessary for reviewing reports  
16 and records.

17 3.13 Payment on Termination

18 If this Franchise terminates for any reason, the Grantee shall file with the City within ninety  
19 (90) calendar days of the date of the termination, a financial statement, certified by an independent  
20 certified public accountant, showing the Gross Revenues received by the Grantee since the end of  
21 the previous fiscal year. The City reserves the right to satisfy any remaining financial obligations  
22 of the Grantee to the City by utilizing the funds available in any security provided by the Grantee.

23 **Section 4. Administration and Regulation**

24 4.1 Authority

25 (A) The City shall be vested with the power and right to reasonably regulate the

1 exercise of the privileges permitted by this Franchise in the public interest, or to delegate that power  
2 and right, or any part thereof, to the extent permitted under federal, state, and local law, to any  
3 agent, in its sole discretion.

4 (B) Nothing in this Franchise shall limit nor expand the City's right of eminent domain  
5 under state law.

6 4.2 Rates and Charges

7 All of Grantee's rates and charges related to or regarding Cable Services shall be subject to  
8 regulation by the City to the full extent authorized by applicable federal, state, and local laws.

9 4.3 Rate Discrimination

10 All of Grantee's rates and charges shall be published (in the form of a publicly-available  
11 rate card) and be non-discriminatory as to all Persons and organizations of similar classes, under  
12 similar circumstances and conditions. Grantee shall apply its rates in accordance with Applicable  
13 Law, with identical rates and charges for all Subscribers receiving identical Cable Services, without  
14 regard to race, color, ethnic or national origin, religion, age, sex, sexual orientation, marital,  
15 military or economic status, or physical or mental disability or, where consistent with any  
16 requirements of federal law, geographic location within the City. Grantee shall offer the same  
17 Cable Services to all Residential Subscribers at identical rates to the extent required by Applicable  
18 Law and to Multiple Dwelling Unit Subscribers to the extent required by FCC rules or applicable  
19 federal law. Grantee shall permit Subscribers to make any lawful in-residence connections the  
20 Subscriber chooses without additional charge and without penalizing the Subscriber therefor.  
21 However, if any in-home connection requires service from Grantee due to signal quality, signal  
22 leakage, or other factors, caused by improper installation of such in-home wiring or faulty materials  
23 of such in-home wiring, the Subscriber may be charged reasonable service charges by Grantee.  
24 Nothing herein shall be construed to prohibit any of the following:

25 (A) The temporary reduction or waiving of rates or charges in conjunction with valid

1 promotional campaigns;

2 (B) The offering of reasonable discounts to senior citizens or economically  
3 disadvantaged citizens;

4 (C) The offering of rate discounts for Cable Service; or,

5 (D) The Grantee from establishing different and nondiscriminatory rates and charges  
6 and classes of service for Commercial Subscribers, as allowable by federal law and regulations.

7 4.4 Filing of Rates and Charges

8 (A) Throughout the term of this Franchise, Grantee shall maintain on file with the City  
9 a complete schedule of applicable rates and charges for Cable Services provided under this  
10 Franchise. Nothing in this subsection shall be construed to require Grantee to file rates and charges  
11 under temporary reductions or waivers of rates and charges in conjunction with promotional  
12 campaigns.

13 (B) Upon request of the City, Grantee shall provide a complete schedule of current  
14 rates and charges for any and all Leased Access Channels, or portions of such Channels, provided  
15 by Grantee. The schedule shall include a description of the price, terms, and conditions established  
16 by Grantee for Leased Access Channels.

17 4.5 Cross Subsidization

18 Grantee shall comply with all Applicable Laws regarding rates for Cable Services and all  
19 Applicable Laws covering issues of cross subsidization.

20 4.6 Reserved Authority

21 Both Grantee and the City reserve all rights they may have under the Cable Act and any  
22 other relevant provisions of federal, state, or local law.

23 4.7 Franchise Amendment Procedure

24 Either party may at any time seek an amendment of this Franchise by so notifying the other  
25 party in writing. Within thirty (30) days of receipt of notice, the City and Grantee shall meet to

1 discuss the proposed amendment(s). If the parties reach a mutual agreement upon the suggested  
2 amendment(s), such amendment(s) shall be submitted to the City Council for its approval. If so  
3 approved by the City Council and the Grantee, then such amendment(s) shall be deemed part of this  
4 Franchise. If mutual agreement is not reached, there shall be no amendment.

5 4.8 Performance Evaluations

6 (A) The City may hold performance evaluation sessions upon ninety (90) days written  
7 notice, provided that such evaluation sessions shall be held no more frequently than once every two  
8 (2) years. All such evaluation sessions shall be conducted by the City.

9 (B) Special evaluation sessions may be held at any time by the City during the term of  
10 this Franchise, upon ninety (90) days written notice to Grantee.

11 (C) All regular evaluation sessions shall be open to the public and announced at least  
12 two (2) weeks in advance in any manner within the discretion of the City. Grantee shall also  
13 include with or on the Subscriber billing statements for the billing period immediately preceding  
14 the commencement of the session, written notification of the date, time, and place of the regular  
15 performance evaluation session, and any special evaluation session as required by the City,  
16 provided Grantee receives appropriate advance notice.

17 (D) Topics that may be discussed at any evaluation session may include, but are not  
18 limited to, Cable Service rate structures; Franchise Fee payments; liquidated damages; free or  
19 discounted Cable Services; application of new technologies; Cable System performance; Cable  
20 Services provided; programming offered; Subscriber complaints; privacy; amendments to this  
21 Franchise; judicial and FCC rulings; line extension policies; and the City or Grantee's rules;  
22 provided that nothing in this subsection shall be construed as requiring the renegotiation of this  
23 Franchise.

24 (E) During evaluations under this subsection, Grantee shall fully cooperate with the  
25 City and shall provide such information and documents as the City may reasonably require to

1 perform the evaluation.

2 4.9 Late Fees

3 (A) For purposes of this subsection, any assessment, charge, cost, fee, or sum, however  
4 characterized, that the Grantee imposes upon a Subscriber solely for late payment of a bill, is a late  
5 fee and shall be applied in accordance with the City's Customer Service Standards, as the same may  
6 be amended from time to time by the City Council acting by ordinance or resolution, or as the same  
7 may be superseded by legislation or final court order.

8 (B) Nothing in this subsection shall be deemed to create, limit, or otherwise affect the  
9 ability of the Grantee, if any, to impose other assessments, charges, fees, or sums other than those  
10 permitted by this subsection, for the Grantee's other services or activities it performs in compliance  
11 with Applicable Law, including FCC law, rule, or regulation.

12 (C) The Grantee's late fee and disconnection policies and practices shall be  
13 nondiscriminatory and such policies and practices, and any fees imposed pursuant to this  
14 subsection, shall apply equally in all parts of the City without regard to the neighborhood or income  
15 level of the Subscriber.

16 4.10 Force Majeure

17 In the event Grantee is prevented or delayed in the performance of any of its obligations  
18 under this Franchise by reason beyond the control of Grantee, Grantee shall have a reasonable time,  
19 under the circumstances, to perform the affected obligation under this Franchise or to procure a  
20 substitute for such obligation which is satisfactory to the City. Those conditions that are not within  
21 the control of Grantee include, but are not limited to, natural disasters, civil disturbances, work  
22 stoppages or labor disputes, power outages, telephone network outages, and severe or unusual  
23 weather conditions that have a direct and substantial impact on the Grantee's ability to provide  
24 Cable Services in the City and that were not caused and could not have been avoided by the  
25 Grantee, which used its best efforts in its operations to avoid such results.

1           If Grantee believes that a reason beyond its control has prevented or delayed its compliance  
2 with the terms of this Franchise, Grantee shall provide documentation as reasonably required by the  
3 City to substantiate the Grantee's claim. If Grantee has not yet cured the deficiency, Grantee shall  
4 also provide the City with its proposed plan for remediation, including the timing for such cure.

5           **Section 5.       Financial and Insurance Requirements.**

6           5.1       Indemnification

7           (A)       General Indemnification. Grantee shall indemnify, defend, and hold the City, its  
8 officers, officials, boards, commissions, agents, and employees, harmless from any action or claim  
9 for injury, damage, loss, liability, cost, or expense, including court and appeal costs and reasonable  
10 attorneys' fees or reasonable expenses, arising from any casualty or accident to Person or property,  
11 including, without limitation, copyright infringement, defamation, and all other damages in any  
12 way arising out of, or by reason of, any construction, excavation, operation, maintenance,  
13 reconstruction, or any other act done under this Franchise, by or for Grantee, its agents, or its  
14 employees, or by reason of any neglect or omission of Grantee. Grantee shall consult and  
15 cooperate with the City while conducting its defense of the City. Grantee shall not be obligated to  
16 indemnify the City to the extent of the City's negligence or willful misconduct.

17           (B)       Indemnification for Relocation. Grantee shall indemnify the City for any damages,  
18 claims, additional costs, or reasonable expenses assessed against, or payable by, the City arising out  
19 of, or resulting from, directly or indirectly, Grantee's failure to remove, adjust, or relocate any of its  
20 facilities in the Rights-of-Way in a timely manner in accordance with any relocation required by the  
21 City.

22           (C)       Additional Circumstances. Grantee shall also indemnify, defend, and hold the City  
23 harmless for any claim for injury, damage, loss, liability, cost, or expense, including court and  
24 appeal costs and reasonable attorneys' fees or reasonable expenses in any way arising out of:

25                   (1)       The lawful actions of the City in granting this Franchise to the extent such

1 actions are consistent with this Franchise and Applicable Law; and

2 (2) Damages arising out of any failure by Grantee to secure consents from the  
3 owners, authorized distributors, or licensees/licensors of programs to be delivered by the  
4 Cable System, whether or not any act or omission complained of is authorized, allowed, or  
5 prohibited by this Franchise.

6 (D) Procedures and Defense. If a claim or action arises, the City or any other  
7 indemnified party shall promptly tender the defense of the claim to Grantee, which defense shall be  
8 at Grantee's expense. The City may participate in the defense of a claim, but if Grantee provides a  
9 defense at Grantee's expense then Grantee shall not be liable for any attorneys' fees, expenses or  
10 other costs that City may incur if it chooses to participate in the defense of a claim, unless and until  
11 separate representation as described below in Paragraph 5.1(F) is required. In that event the  
12 provisions of Paragraph 5.1(F) shall govern Grantee's responsibility for City's attorney's fees,  
13 expenses, or other costs. In any event, Grantee may not agree to any settlement of claims affecting  
14 the City without the City's approval.

15 (E) Non-waiver. The fact that Grantee carries out any activities under this Franchise  
16 through independent contractors shall not constitute an avoidance of or defense to Grantee's duty of  
17 defense and indemnification under this subsection.

18 (F) Expenses. If separate representation to fully protect the interests of both parties is  
19 or becomes necessary, such as a conflict of interest between the City and the counsel selected by  
20 Grantee to represent the City, Grantee shall pay, from the date such separate representation is  
21 required forward, all reasonable expenses incurred by the City in defending itself with regard to any  
22 action, suit, or proceeding indemnified by Grantee. Provided, however, that in the event that such  
23 separate representation is or becomes necessary, and City desires to hire counsel or any other  
24 outside experts or consultants and desires Grantee to pay those expenses, then City shall be required  
25 to obtain Grantee's consent to the engagement of such counsel, experts, or consultants, such

1 consent not to be unreasonably withheld. The City's expenses shall include all reasonable  
2 out-of-pocket expenses, such as consultants' fees, and shall also include the reasonable value of any  
3 services rendered by the City Attorney or his/her assistants or any employees of the City or its  
4 agents but shall not include outside attorneys' fees for services that are unnecessarily duplicative of  
5 services provided the City by Grantee.

6 5.2 Insurance

7 (A) Grantee shall maintain in full force and effect at its own cost and expense each of  
8 the following policies of insurance:

9 (1) Commercial General Liability insurance with limits of no less than one  
10 million dollars (\$1,000,000.00) per occurrence and one million dollars (\$1,000,000.00)  
11 general aggregate. Coverage shall be at least as broad as that provided by ISO CG 00 01  
12 1/96 or its equivalent and include severability of interests. Such insurance shall name the  
13 City, its officers, officials, and employees as additional insureds per ISO CG 2026 or its  
14 equivalent. There shall be a waiver of subrogation and rights of recovery against the City,  
15 its officers, officials, and employees. Coverage shall apply as to claims between insureds  
16 on the policy, if applicable.

17 (2) Commercial Automobile Liability insurance with minimum combined  
18 single limits of one million dollars (\$1,000,000.00) each occurrence with respect to each of  
19 Grantee's owned, hired, and non-owned vehicles assigned to or used in the operation of the  
20 Cable System in the City. The policy shall contain a severability of interests provision.

21 (B) The insurance shall not be canceled or materially changed so as to be out of  
22 compliance with these requirements without thirty (30) days' written notice first provided to the  
23 City, via certified mail, and ten (10) days' notice for nonpayment of premium. If the insurance is  
24 canceled or materially altered so as to be out of compliance with the requirements of this subsection  
25 within the term of this Franchise, Grantee shall provide a replacement policy. Grantee agrees to

1 maintain continuous uninterrupted insurance coverage, in at least the amounts required, for the  
2 duration of this Franchise and, in the case of the Commercial General Liability, for at least one (1)  
3 year after expiration of this Franchise.

4 5.3 Deductibles / Certificate of Insurance

5 Any deductible of the policies shall not in any way limit Grantee's liability to the City.

6 (A) Endorsements.

7 (1) All policies shall contain or shall be endorsed so that:

8 (a) The City, its officers, officials, boards, commissions, employees,  
9 and agents are to be covered as, and have the rights of, additional insureds with  
10 respect to liability arising out of activities performed by, or on behalf of, Grantee  
11 under this Franchise or Applicable Law, or in the construction, operation or repair,  
12 or ownership of the Cable System;

13 (b) Grantee's insurance coverage shall be primary insurance with  
14 respect to the City, its officers, officials, boards, commissions, employees, and  
15 agents. Any insurance or self-insurance maintained by the City, its officers,  
16 officials, boards, commissions, employees, and agents shall be in excess of the  
17 Grantee's insurance and shall not contribute to it; and

18 (c) Grantee's insurance shall apply separately to each insured against  
19 whom a claim is made or lawsuit is brought, except with respect to the limits of the  
20 insurer's liability.

21 (B) Acceptability of Insurers. The insurance obtained by Grantee shall be placed with  
22 insurers with a Best's rating of no less than "A VII."

23 (C) Verification of Coverage. The Grantee shall furnish the City with certificates of  
24 insurance and endorsements or a copy of the page of the policy reflecting blanket additional insured  
25 status. The certificates and endorsements for each insurance policy are to be signed by a Person

1 authorized by that insurer to bind coverage on its behalf. The certificates and endorsements for  
2 each insurance policy are to be on standard forms or such forms as are consistent with standard  
3 industry practices.

4 (D) Self-Insurance In the alternative to providing a certificate of insurance to the City  
5 certifying insurance coverage as required above, Grantee may provide self-insurance in the same  
6 amount and level of protection for Grantee and City, its officers, agents, and employees as  
7 otherwise required under this Section. The adequacy of self-insurance shall be subject to the  
8 periodic review and approval of the City.

9 5.4 Letter of Credit

10 (A) If there is a claim by the City of an uncured breach by Grantee of a material  
11 provision of this Franchise or pattern of repeated violations of any provision(s) of this Franchise,  
12 then the City may require and Grantee shall establish as security for the faithful performance by  
13 Grantee of all of the provisions of this Franchise, within thirty (30) days from receiving notice from  
14 the City, a letter of credit from a financial institution satisfactory to the City in the amount of one  
15 hundred thousand dollars (\$100,000).

16 (B) In the event that Grantee establishes a letter of credit pursuant to the procedures of  
17 subsection (A), then the letter of credit shall be maintained at one hundred thousand dollars  
18 (\$100,000) until the allegations of the uncured breach have been resolved.

19 (C) After completion of the procedures set forth in Section 13.1 or other applicable  
20 provisions of this Franchise, the letter of credit may be drawn upon by the City for purposes  
21 including but not limited to the following:

22 (1) Failure of Grantee to pay the City sums due under the terms of this  
23 Franchise;

24 (2) Reimbursement of costs borne by the City to correct Franchise violations  
25 not corrected by Grantee;

1 (3) Monetary remedies or damages assessed against Grantee due to default or  
2 breach of Franchise requirements; and,

3 (4) Failure to comply with the Customer Service Standards of the City, as the  
4 same may be amended from time to time by the City Council acting by ordinance or  
5 resolution.

6 (D) The City shall give Grantee written notice of any withdrawal under this subsection  
7 upon such withdrawal. Within seven (7) days following receipt of such notice, Grantee shall  
8 restore the letter of credit to the amount required under this Franchise.

9 (E) Grantee shall have the right to appeal to the City Council for reimbursement in the  
10 event Grantee believes that the letter of credit was drawn upon improperly. Grantee shall also have  
11 the right of judicial appeal if Grantee believes the letter of credit has not been properly drawn upon  
12 in accordance with this Franchise. Any funds the City erroneously or wrongfully withdraws from  
13 the letter of credit shall be returned to Grantee with interest, from the date of withdrawal at a rate  
14 equal to the prime rate of interest as quoted in the Wall Street Journal.

15 **Section 6. Customer Service.**

16 6.1 Customer Service Standards

17 The City hereby adopts the customer service standards set forth in Part 76, §76.309 of the  
18 FCC's rules and regulations, as amended. The Grantee shall comply in all respects with the  
19 customer service requirements established by the FCC.

20 6.2 Subscriber Privacy

21 Grantee shall fully comply with any provisions regarding the privacy rights of Subscribers  
22 contained in federal, state, or local law.

23 6.3 Subscriber Contracts

24 Grantee shall not enter into a contract with any Subscriber which is in any way inconsistent  
25 with the terms of this Franchise, or any Exhibit hereto, or the requirements of any applicable

1 Customer Service Standard. Upon request, Grantee will provide to the City a sample of the  
2 Subscriber contract or service agreement then in use.

3 6.4 Advance Notice to City

4 The Grantee shall use reasonable efforts to furnish information provided to Subscribers or  
5 the media in the normal course of business to the City in advance.

6 6.5 Identification of Local Franchise Authority on Subscriber Bills

7 Within sixty (60) days after written request from the City, Grantee shall place the City's phone  
8 number on its Subscriber bills, to identify where a Subscriber may call to address escalated  
9 complaints.

10 **Section 7. Reports and Records.**

11 7.1 Open Records

12 Grantee shall manage all of its operations in accordance with a policy of keeping its  
13 documents and records open and accessible to the City. The City, including the City's Auditor or  
14 his/her authorized representative, shall have access to, and the right to inspect, any books and  
15 records of Grantee, its parent corporations and Affiliates which are reasonably related to the  
16 administration or enforcement of the terms of this Franchise. Grantee shall not deny the City access  
17 to any of Grantee's records on the basis that Grantee's records are under the control of any parent  
18 corporation, Affiliate, or a third party. The City may, in writing, request copies of any such records  
19 or books and Grantee shall provide such copies within thirty (30) days of the transmittal of such  
20 request. One (1) copy of all reports and records required under this or any other subsection shall be  
21 furnished to the City, at the sole expense of Grantee. If the requested books and records are too  
22 voluminous, or for security reasons cannot be copied or removed, then Grantee may request, in  
23 writing within ten (10) days, that the City inspect them at Grantee's local offices. If any books or  
24 records of Grantee are not kept in a local office and not made available in copies to the City upon  
25 written request as set forth above, and if the City determines that an examination of such records is

1 necessary or appropriate for the performance of any of the City's duties, administration or  
2 enforcement of this Franchise, then all reasonable travel and related expenses incurred in making  
3 such examination shall be paid by Grantee.

4           7.2    Confidentiality

5           The City agrees to treat as confidential any books or records that constitute proprietary or  
6 confidential information under federal or state law, to the extent Grantee makes the City aware of  
7 such confidentiality. Grantee shall be responsible for clearly and conspicuously stamping the word  
8 "Confidential" on each page that contains confidential or proprietary information, and shall provide  
9 a brief written explanation as to why such information is confidential under state or federal law. If  
10 the City believes it must release any such confidential books and records in the course of enforcing  
11 this Franchise, or for any other reason, it shall advise Grantee in advance so that Grantee may take  
12 appropriate steps to protect its interests. If the City receives a demand from any Person for  
13 disclosure of any information designated by Grantee as confidential, the City shall, so far as  
14 consistent with Applicable Law, advise Grantee and provide Grantee with a copy of any written  
15 request by the party demanding access to such information within a reasonable time. Until  
16 otherwise ordered by a court or agency of competent jurisdiction, the City agrees that, to the extent  
17 permitted by state and federal law, it shall deny access to any of Grantee's books and records  
18 marked confidential as set forth above to any Person. Grantee shall reimburse the City for all  
19 reasonable costs and attorneys' fees incurred in any legal proceedings pursued under this Section.

20           7.3    Records Required

21           (A)    Grantee shall at all times maintain, and shall furnish to the City upon thirty (30)  
22 days written request and subject to Applicable Law, the following records:

23                   (1)    A complete set of maps showing the exact location of all Cable System  
24 equipment and facilities in the Right-of-Way, but excluding detail on proprietary  
25 electronics contained therein and Subscriber drops. As-built maps including proprietary

1 electronics shall be available at Grantee's offices for inspection by the City's authorized  
2 representative(s) or agent(s) and made available to such during the course of technical  
3 inspections as reasonably conducted by the City. These maps shall be certified as accurate  
4 by an appropriate representative of the Grantee;

5 (2) A copy of all FCC filings on behalf of Grantee, its parent corporations, or  
6 Affiliates that relate to the operation of the Cable System in the City;

7 (3) Current Subscriber Records and information;

8 (4) A log of Cable Services added or dropped, Channel changes, number of  
9 Subscribers added or terminated, all construction activity, and total homes passed for the  
10 previous twelve (12) months; and

11 (5) A list of Cable Services, rates, and Channel line-ups.

12 (B) Subject to subsection 7.2, all information furnished to the City is public  
13 information, and shall be treated as such, except for information involving the privacy rights of  
14 individual Subscribers.

15 7.4 Copies of Federal and State Reports

16 Within thirty (30) days of a written request, Grantee shall submit to the City copies of all  
17 pleadings, applications, notifications, communications, and documents of any kind, submitted by  
18 Grantee or its parent corporation(s), to any federal, state, or local courts, regulatory agencies, and  
19 other government bodies if such documents directly relate to the operations of Grantee's Cable  
20 System within the City. Grantee shall not claim confidential, privileged, or proprietary rights to  
21 such documents unless under federal, state, or local law such documents have been determined to  
22 be confidential by a court of competent jurisdiction, or a federal or state agency.

23 7.5 Complaint File

24 Grantee shall keep an accurate and comprehensive file of any complaints regarding the  
25 Cable System, in a manner consistent with the privacy rights of Subscribers, and Grantee's actions

1 in response to those complaints. These files shall remain available for viewing to the City during  
2 normal business hours at Grantee's local business office.

3 7.6 False Statements

4 Any false or misleading statement or representation in any report required by this Franchise  
5 (not including clerical errors or errors made in good faith) may be deemed a material breach of this  
6 Franchise and may subject Grantee to all remedies, legal or equitable, which are available to the  
7 City under this Franchise or otherwise.

8 **Section 8. Programming.**

9 8.1 Broad Programming Categories

10 Grantee shall provide or enable the provision of at least the following initial broad  
11 categories of programming to the extent such categories are reasonably available:

- 12 (A) Educational programming;
- 13 (B) New Mexico news, weather, and information;
- 14 (C) Sports;
- 15 (D) General entertainment (including movies);
- 16 (E) Children/family-oriented;
- 17 (F) Arts, culture, and performing arts;
- 18 (G) Foreign language;
- 19 (H) Science/documentary;
- 20 (I) National news, weather, and information; and
- 21 (J) Public, Educational, and Government Access, to the extent required by this

22 Franchise.

23 8.2 Deletion or Reduction of Broad Programming Categories

24 (A) Grantee shall not delete or so limit as to effectively delete any broad category of  
25 programming within its control without the prior written consent of the City.

1 (B) In the event of a modification proceeding under federal law, the mix and quality of  
2 Cable Services provided by Grantee on the Effective Date of this Franchise shall be deemed the  
3 mix and quality of Cable Services required under this Franchise throughout its term.

4 8.3 Obscenity

5 Grantee shall not transmit, or permit to be transmitted over any Channel subject to its  
6 editorial control, any programming which is obscene under, or violates any provision of, Applicable  
7 Law relating to obscenity, and is not protected by the Constitution of the United States. Grantee  
8 shall be deemed to have transmitted or permitted a transmission of obscene programming only if a  
9 court of competent jurisdiction has found that any of Grantee's officers or employees or agents have  
10 permitted programming that is obscene under, or violative of, any provision of Applicable Law  
11 relating to obscenity, and is otherwise not protected by the Constitution of the United States, to be  
12 transmitted over any Channel subject to Grantee's editorial control. Grantee shall comply with all  
13 relevant provisions of federal law relating to obscenity.

14 8.4 Parental Control Device

15 Upon request by any Subscriber, Grantee shall make available a parental control or lockout  
16 device, trap, or filter, to enable a Subscriber to control access to both the audio and video portions  
17 of any or all Channels. Grantee shall inform its Subscribers of the availability of the lockout device  
18 at the time of their initial subscription and periodically thereafter. Any device offered shall be at a  
19 rate, if any, in compliance with Applicable Law.

20 8.5 Continuity of Service Mandatory

21 (A) It shall be the right of all Subscribers to continue to receive Cable Service from  
22 Grantee insofar as their financial and other obligations to Grantee are honored. The Grantee shall  
23 act so as to ensure that all Subscribers receive continuous, uninterrupted Cable Service, regardless  
24 of the circumstances. For the purposes of this subsection, "uninterrupted" does not include short-  
25 term outages of the Cable System for maintenance or testing.

1 (B) In the event of a change of grantee, or in the event a new Cable Operator acquires  
2 the Cable System in accordance with this Franchise, Grantee shall cooperate with the City, new  
3 franchisee, or Cable Operator in maintaining continuity of Cable Service to all Subscribers. During  
4 any transition period, Grantee shall be entitled to the revenues for any period during which it  
5 operates the Cable System, and shall be entitled to reasonable costs for its services when it no  
6 longer operates the Cable System.

7 (C) In the event Grantee fails to operate the Cable System for four (4) consecutive days  
8 without prior approval of the Manager, or without just cause, the City may, at its option, operate the  
9 Cable System itself or designate another Cable Operator until such time as Grantee restores service  
10 under conditions acceptable to the City or a permanent Cable Operator is selected. If the City is  
11 required to fulfill this obligation for Grantee, Grantee shall reimburse the City for all reasonable  
12 costs or damages that are the result of Grantee's failure to perform.

13 8.6 Services for the Disabled

14 Grantee shall comply with the Americans with Disabilities Act and any amendments  
15 thereto.

16 **Section 9. Access.**

17 9.1 Designated Access Providers

18 (A) The City shall have the sole and exclusive responsibility for identifying the  
19 Designated Access Providers, including itself for Access purposes, to control and manage the use of  
20 any or all Access Facilities provided by Grantee under this Franchise. As used in this Section, such  
21 "Access Facilities" includes the Channels, services, facilities, equipment, technical components,  
22 and/or financial support provided under this Franchise, which is used or useable by and for Public  
23 Access, Educational Access, and Government Access ("PEG" or "PEG Access").

24 (B) Grantee shall cooperate with City in City's efforts to provide Access programming,  
25 but will not be responsible or liable for any damages resulting from a claim in connection with the

1 programming placed on the Access Channels by the Designated Access Provider.

2 9.2 Channel Capacity and Use

3 (A) Grantee shall make available to City three (3) Downstream Channels for PEG use  
4 as provided for in this Section.

5 (B) Grantee shall have the right to temporarily use any Channel, or portion thereof,  
6 which is allocated under this Section for Public, Educational, or Governmental Access use, within  
7 sixty (60) days after a written request for such use is submitted to City, if such Channel is not "fully  
8 utilized" as defined herein. A Channel shall be considered fully utilized if substantially  
9 unduplicated programming is delivered over it more than an average of 38 hours per week over a  
10 six (6) month period. Programming that is repeated on an Access Channel up to two times per day  
11 shall be considered "unduplicated programming." Character-generated programming shall be  
12 included for purposes of this subsection, but may be counted towards the total average hours only  
13 with respect to two (2) Channels provided to City. If a Channel allocated for Public, Educational,  
14 or Governmental Access use will be used by Grantee in accordance with the terms of this  
15 subsection, the institution to which the Channel has been allocated shall have the right to require the  
16 return of the Channel or portion thereof. City shall request return of such Channel space by  
17 delivering written notice to Grantee stating that the institution is prepared to fully utilize the  
18 Channel, or portion thereof, in accordance with this subsection. In such event, the Channel or  
19 portion thereof shall be returned to such institution within sixty (60) days after receipt by Grantee  
20 of such written notice.

21 (C) Standard Definition ("SD") Digital Access Channels.

22 (1) Grantee shall continue to provide two (2) Activated Downstream Channels  
23 for PEG Access use in a standard definition ("SD") digital format in Grantee's Basic  
24 Service ("SD Access Channel"). Grantee shall carry all components of the SD Access  
25 Channel Signals provided by a Designated Access Provider including, but not limited to,

1 closed captioning, stereo audio, and other elements associated with the Programming. A  
2 Designated Access Provider shall be responsible for providing the SD Access Channel  
3 Signal in an SD format to the demarcation point at the designated point of origination for  
4 the SD Access Channel. Grantee shall transport and distribute the SD Access Channel  
5 signal on its Cable System and shall not unreasonably discriminate against SD Access  
6 Channels with respect to accessibility, functionality, and to the application of any  
7 applicable Federal Communications Commission Rules & Regulations, including without  
8 limitation Subpart K Channel signal standards.

9 (2) With respect to signal quality, Grantee shall not be required to carry a SD  
10 Access Channel in a higher quality format than that of the SD Access Channel signal  
11 delivered to Grantee, but Grantee shall distribute the SD Access Channel signal without  
12 degradation. Upon reasonable written request by a Designated Access Provider, Grantee  
13 shall verify signal delivery to Subscribers with the Designated Access Provider, consistent  
14 with the requirements of this Section 9.2(C).

15 (3) Grantee shall be responsible for costs associated with the transmission of  
16 SD Access signals on its side of the demarcation point, which, for the purposes of this  
17 Section 9.2 (C)(3), shall mean up to and including the modulator where the City signal is  
18 converted into a format to be transmitted over a fiber connection to Grantee. The City or  
19 Designated Access Provider shall be responsible for costs associated with SD Access signal  
20 transmission on its side of the demarcation point.

21 (4) SD Access Channels may require Subscribers to buy or lease special  
22 equipment, available to all Subscribers, and subscribe to those tiers of Cable Service, upon  
23 which SD channels are made available. Grantee is not required to provide free SD  
24 equipment to Subscribers, including complimentary government and educational accounts,  
25 nor modify its equipment or pricing policies in any manner.

1 (D) High Definition ("HD") Digital Access Channels.

2 (1) After the Effective Date and within one hundred twenty (120) days of  
3 written notice, Grantee shall activate one (1) HD Access Channel, for which the City may  
4 provide Access Channel signals in HD format to the demarcation point at the designated  
5 point of origination for the Access Channel. Activation of the HD Access Channel shall  
6 only occur after the following conditions are satisfied:

7 (a) The City shall, in its written notice to Grantee as provided for in  
8 this Section, confirm that it or its Designated Access Provider has the capabilities  
9 to produce, has been producing, and will produce programming in an HD format  
10 for the newly activated HD Access Channel(s); and,

11 (b) There will be a minimum of five (5) hours per-day, five days per-  
12 week of HD PEG programming available for each HD Access Channel. For the  
13 purposes of this subsection, character-generated programming (i.e., community  
14 bulletin boards) shall not satisfy, in whole or in part, this programming  
15 requirement.

16 (2) The City shall be responsible for providing the HD Access Channel signal  
17 in an HD digital format to the demarcation point at the designated point of origination for  
18 the HD Access Channel. For purposes of this Franchise, an HD signal refers to a television  
19 signal delivering picture resolution of either 720p or 1080i, or such other resolution in this  
20 same range that Grantee utilizes for other similar non-sport, non-movie programming  
21 channels on the Cable System, whichever is greater.

22 (3) Grantee shall transport and distribute the HD Access Channel signal on its  
23 Cable System and shall not unreasonably discriminate against HD Access Channels with  
24 respect to accessibility, functionality, or to the application of any applicable Federal  
25 Communications Commission Rules & Regulations, including without limitation Subpart K

1 Channel signal standards. With respect to signal quality, Grantee shall not be required to  
2 carry a HD Access Channel in a higher quality format than that of the HD Access Channel  
3 signal delivered to Grantee, but Grantee shall distribute the HD Access Channel signal  
4 without degradation. Grantee shall carry all components of the HD Access Channel signals  
5 provided by the Designated Access Provider including, but not limited to, closed  
6 captioning, stereo audio, and other elements associated with the Programming. Upon  
7 reasonable written request by the City, Grantee shall verify signal delivery to Subscribers  
8 with the City, consistent with the requirements of this Section 9.2(D).

9 (4) HD Access Channels may require Subscribers to buy or lease special  
10 equipment, available to all Subscribers, and subscribe to those tiers of Cable Service, upon  
11 which HD channels are made available. Grantee is neither required to provide free HD  
12 equipment to Subscribers, including complimentary government and educational accounts,  
13 nor to modify its equipment or pricing policies in any manner.

14 (5) The City or any Designated Access Provider is responsible for acquiring all  
15 equipment necessary to produce programming in HD.

16 (6) Grantee shall cooperate with the City to procure and provide, at City's cost,  
17 all necessary transmission equipment from the Designated Access Provider channel  
18 origination point, at Grantee's headend and through Grantee's distribution system, in order  
19 to deliver the HD Access Channels. The City shall be responsible for the costs of all  
20 transmission equipment, including HD modulator and demodulator, and encoder or decoder  
21 equipment, and multiplex equipment, required in order for Grantee to receive and distribute  
22 the HD Access Channel signal, or for the cost of any resulting upgrades to the video return  
23 line. The City and Grantee agree that such expense of acquiring and installing the  
24 transmission equipment or upgrades to the video return line qualifies as a capital cost for  
25 PEG Facilities within the meaning of the Cable Act 47 U.S.C. Section 542(g)(20)(C), and

1           therefore is an appropriate use of revenues derived from those PEG Capital fees provided  
2           for in this Franchise.

3           (E)     Grantee shall simultaneously carry the one (1) HD Access Channel provided for in  
4           Section 9.2(D) in high definition format on the Cable System, in addition to simultaneously  
5           carrying in standard definition format the SD Access Channels provided pursuant to Subsection  
6           9.2(C).

7           (F)     There shall be no restriction on Grantee's technology used to deploy and deliver  
8           SD or HD signals so long as the requirements of the Franchise are otherwise met. Grantee may  
9           implement HD carriage of the PEG channel in any manner (including selection of compression,  
10          utilization of IP, and other processing characteristics) that produces a signal quality for the  
11          consumer that is reasonably comparable and functionally equivalent to similar commercial HD  
12          channels carried on the Cable System. In the event the City believes that Grantee fails to meet this  
13          standard, City will notify Grantee of such concern, and Grantee will respond to any complaints in a  
14          timely manner.

15           9.3     Access Channel Assignments

16          Grantee will use reasonable efforts to minimize the movement of SD and HD Access  
17          Channel assignments. In addition, Grantee will make reasonable efforts to locate HD Access  
18          Channels provided pursuant to Subsection 9.2(D) in a location on its HD Channel line-up that is  
19          easily accessible to Subscribers.

20           9.4     Relocation of Access Channels

21          Grantee shall provide City a minimum of sixty (60) days' notice and use its best efforts to  
22          provide one hundred and twenty (120) days' notice, prior to the time Public, Educational, and  
23          Governmental Access Channel designations are changed.

24           9.5     Support for Access Costs

25          Within 180 days after the effective date, and during the term of this Franchise Agreement,

1 Grantee shall provide forty-four cents (\$0.44) per month per Residential Subscriber (the "PEG  
2 Contribution") to be used solely for capital costs related to Public, Educational, and Governmental  
3 Access and web-based, on-demand Access programming described in Section 9.5, or as may be  
4 permitted by Applicable Law. To address inflationary impacts on capital equipment or to evaluate  
5 whether the City's PEG Access capital costs have reduced with time, the City and Grantee may  
6 meet after the Effective Date to discuss whether to increase or to decrease the PEG Contribution.  
7 The primary purpose of such meetings will be for the parties to review prior expenditures and  
8 future capital plans to determine if the current PEG Contribution is reasonably appropriate to meet  
9 future needs. The City and Grantee may suggest to each other, based upon their own assessments  
10 of reasonable past practices and future anticipated needs, whether the current level of PEG  
11 Contribution is appropriate. If either party believes that the PEG Contribution should be modified  
12 in a reasonable amount to address such future needs, the parties shall share all relevant information  
13 supporting their positions and negotiate in good faith to determine if the PEG Contribution should  
14 be increased or decreased, and, if so, in what amount. Such discussions regarding potential  
15 adjustment to the PEG Contribution will be conducted pursuant to the Franchise amendment  
16 procedures in Section 4.8 of this Franchise. Grantee shall make PEG Contribution payments  
17 quarterly, following the effective date of this Franchise Agreement for the preceding quarter ending  
18 March 31, June 30, September 30, and December 31. Each payment shall be due and payable no  
19 later than forty-five (45) days following the end of the quarter. City shall have sole discretion to  
20 allocate the expenditure of such payments for any capital costs related to PEG Access. The parties  
21 agree that this Franchise shall provide City discretion to utilize Access payments for new internal  
22 network connections and enhancements to the City's existing network.

23 9.6 Access Support Not Franchise Fees

24 Grantee agrees that capital support for Access Costs arising from or relating to the  
25 obligations set forth in this Section shall in no way modify or otherwise affect Grantee's obligations

1 to pay Franchise Fees to City. Grantee agrees that although the sum of Franchise Fees plus the  
2 payments set forth in this Section may total more than five percent (5%) of Grantee's Gross  
3 Revenues in any 12-month period, the additional commitments shall not be offset or otherwise  
4 credited in any way against any Franchise Fee payments under this Franchise Agreement so long as  
5 such support is used for capital Access purposes consistent with this Franchise and federal law.  
6 PEG fees shall not be collected and remitted on (1) Subscribers residing in Multiple Dwelling Units  
7 billed on a bulk-billing basis for any additional services; (2) Subscribers and/or employees  
8 receiving Cable Service on a gratis or complimentary basis; and (3) Subscribers whose accounts are  
9 written off as uncollectable or are considered Bad Debt.

10 9.7 Access Channels On Basic Service or Lowest Priced HD Service Tier

11 All SD Access Channels under this Franchise Agreement shall be included by Grantee,  
12 without limitation, as part of Basic Service. All HD Access Channels under this Franchise  
13 Agreement shall be included by Grantee, without limitation, as part of the lowest priced tier of HD  
14 Cable Service upon which Grantee provides HD programming content.

15 9.8 Change In Technology

16 In the event Grantee makes any change in the Cable System and related equipment and  
17 Facilities or in Grantee's signal delivery technology, which directly or indirectly affects the signal  
18 quality or transmission of Access services or programming, Grantee shall at its own expense take  
19 necessary technical steps or provide necessary technical assistance, including the acquisition of all  
20 necessary equipment, and full training of City's Access personnel to ensure that the capabilities of  
21 Access services are not diminished or adversely affected by such change. If the City implements a  
22 new video delivery technology that is currently offered and can be accommodated on the Grantee's  
23 local Cable System, then the same provisions above shall apply. If the City implements a new  
24 video delivery technology that is not currently offered on and/or that cannot be accommodated by  
25 the Grantee's local Cable System, then the City shall be responsible for acquiring all necessary

1 equipment, facilities, technical assistance, and training to deliver the signal to the Grantee's  
2 headend for distribution to subscribers.

3 9.9 Technical Quality

4 Grantee shall maintain all upstream and downstream Access services and Channels on its  
5 side of the demarcation point at the same level of technical quality and reliability required by this  
6 Franchise Agreement and all other applicable laws, rules, and regulations for Residential Subscriber  
7 Channels. Grantee shall provide routine maintenance for all transmission equipment on its side of  
8 the demarcation point, including modulators, decoders, multiplex equipment, and associated cable  
9 and equipment necessary to carry a quality signal to and from City's facilities for the Access  
10 Channels provided under this Franchise Agreement, including the business class broadband  
11 equipment and services necessary for the video on demand and streaming service described in  
12 Section 9.5. Grantee shall also provide, if requested in advance by the City, advice and technical  
13 expertise regarding the proper operation and maintenance of transmission equipment on the City's  
14 side of the demarcation point. The City shall be responsible for all initial and replacement costs of  
15 all HD modulator and demodulator equipment, web-based video on demand servers, and web-based  
16 video streaming servers. The City shall also be responsible, at its own expense, to replace any of the  
17 Grantee's equipment that is damaged by the gross negligence or intentional acts of City staff. The  
18 Grantee shall be responsible, at its own expense, to replace any of the Grantee's equipment that is  
19 damaged by the gross negligence or intentional acts of Grantee's staff. The City will be responsible  
20 for the cost of repairing and/or replacing any HD PEG Access and web-based video on demand  
21 transmission equipment that Grantee maintains that is used exclusively for transmission of the  
22 City's and/or its Designated Access Providers' HD Access programming.

23 9.10 Return Lines/Access Origination

24 (A) Grantee shall continuously maintain the return lines previously constructed to the  
25 200 Lincoln Ave, Santa Fe, NM 87504, throughout the Term of the Franchise, in order to enable the

1 distribution of Access programming to Residential Subscribers on the Access Channels; provided,  
2 however, that Grantee's maintenance obligations with respect to either of these locations shall cease  
3 if a location is no longer used in the future by the City to originate Access programming.

4 (B) Grantee shall construct and maintain new Fiber Optic return lines to the Headend  
5 from production facilities of new or relocated Designated Access Providers delivering Access  
6 programming to Residential Subscribers as requested in writing by the City. All actual construction  
7 costs incurred by Grantee from the nearest interconnection point to the Designated Access Provider  
8 shall be paid by the City or the Designated Access Provider. New return lines shall be completed  
9 within one (1) year from the request of the City or its Designated Access Provider, or as otherwise  
10 agreed to by the parties. If an emergency situation necessitates movement of production facilities  
11 to a new location, the parties shall work together to complete the new return line as soon as  
12 reasonably possible.

13 **Section 10. General Right-of-Way Use and Construction.**

14 10.1 Right to Construct

15 Subject to Applicable Law, regulations, rules, resolutions, and ordinances of the City and  
16 the provisions of this Franchise, Grantee may perform all construction in the Rights-of-Way for any  
17 facility needed for the maintenance or extension of Grantee's Cable System.

18 10.2 Right-of-Way Meetings

19 Grantee will regularly attend and participate in meetings of the City, of which the Grantee  
20 is made aware, regarding Right-of-Way issues that may impact the Cable System.

21 10.3 Joint Trenching/Boring Meetings

22 Grantee will regularly attend and participate in planning meetings of the City, of which the  
23 Grantee is made aware, to anticipate joint trenching and boring. Whenever it is possible and  
24 reasonably practicable to joint trench or share bores or cuts, Grantee shall work with other  
25 providers, licensees, permittees, and franchisees so as to reduce so far as possible the number of

1 Right-of-Way cuts within the City.

2 10.4 General Standard

3 All work authorized and required hereunder shall be done in a safe, thorough, and  
4 workmanlike manner. All installations of equipment shall be permanent in nature, durable, and  
5 installed in accordance with good engineering practices.

6 10.5 Permits Required for Construction

7 Prior to doing any work in the Right-of Way or other public property, Grantee shall apply  
8 for, and obtain, appropriate permits from the City. As part of the permitting process, the City may  
9 impose such conditions and regulations as are necessary for the purpose of protecting any structures  
10 in such Rights-of-Way, proper restoration of such Rights-of-Way and structures, the protection of  
11 the public, and the continuity of pedestrian or vehicular traffic. Such conditions may also include  
12 the provision of a construction schedule and maps showing the location of the facilities to be  
13 installed in the Right-of-Way. Grantee shall pay all applicable fees for the requisite City permits  
14 received by Grantee.

15 10.6 Emergency Permits

16 In the event that emergency repairs are necessary, Grantee shall immediately notify the  
17 City of the need for such repairs. Grantee may initiate such emergency repairs, and shall apply for  
18 appropriate permits within forty-eight (48) hours after discovery of the emergency.

19 10.7 Compliance with Applicable Codes

20 (A) City Construction Codes. Grantee shall comply with all applicable City  
21 construction codes, including, without limitation, the Uniform Building Code and other building  
22 codes, the Uniform Fire Code, the Uniform Mechanical Code, the Electronic Industries Association  
23 Standard for Physical Location and Protection of Below-Ground Fiber Optic Cable Plant, and  
24 zoning codes and regulations.

25 (B) Tower Specifications. Antenna supporting structures (towers) shall be designed for

1 the proper loading as specified by the Electronics Industries Association (EIA), as those  
2 specifications may be amended from time to time. Antenna supporting structures (towers) shall be  
3 painted, lighted, erected, and maintained in accordance with all applicable rules and regulations of  
4 the Federal Aviation Administration and all other applicable federal, state, and local codes or  
5 regulations.

6 (C) Safety Codes. Grantee shall comply with all federal, state, and local safety  
7 requirements, rules, regulations, laws, and practices, and employ all necessary devices as required  
8 by Applicable Law during construction, operation, and repair of its Cable System. By way of  
9 illustration and not limitation, Grantee shall comply with the National Electric Code, National  
10 Electrical Safety Code and Occupational Safety and Health Administration (OSHA) Standards.

11 10.8 GIS Mapping

12 Grantee shall comply with any generally applicable ordinances, rules, and regulations of  
13 the City regarding geographic information mapping systems for users of the Rights-of-Way.

14 10.9 Minimal Interference

15 Work in the Right-of-Way, on other public property, near public property, or on or near  
16 private property shall be done in a manner that causes the least interference with the rights and  
17 reasonable convenience of property owners and residents. Grantee's Cable System shall be  
18 constructed and maintained in such manner as not to interfere with sewers, water pipes, or any other  
19 property of the City, or with any other pipes, wires, conduits, pedestals, structures, or other facilities  
20 that may have been laid in the Rights-of-Way by, or under, the City's authority. The Grantee's  
21 Cable System shall be located, erected, and maintained so as not to endanger or interfere with the  
22 lives of Persons, or to interfere with new improvements the City may deem proper to make or to  
23 unnecessarily hinder or obstruct the free use of the Rights-of-Way or other public property, and  
24 shall not interfere with the travel and use of public places by the public during the construction,  
25 repair, operation, or removal thereof, and shall not obstruct or impede traffic. In the event of such

1 interference, the City may require the removal or relocation of Grantee's lines, cables, equipment,  
2 and other appurtenances from the property in question at Grantee's expense.

3 10.10 Prevent Injury/Safety

4 Grantee shall provide and use any equipment and facilities necessary to control and carry  
5 Grantee's signals so as to prevent injury to the City's property or property belonging to any Person.  
6 Grantee, at its own expense, shall repair, renew, change, and improve its facilities to keep them in  
7 good repair and safe and presentable condition. All excavations made by Grantee in the Rights-of-  
8 Way shall be properly safeguarded for the prevention of accidents by the placement of adequate  
9 barriers, fences, or boarding, the bounds of which, during periods of dusk and darkness, shall be  
10 clearly designated by warning lights.

11 10.11 Hazardous Substances

12 (A) Grantee shall comply with any and all Applicable Laws, statutes, regulations, and  
13 orders concerning hazardous substances relating to Grantee's Cable System in the Rights-of-Way.

14 (B) Upon reasonable notice to Grantee, the City may inspect Grantee's facilities in the  
15 Rights-of-Way to determine if any release of hazardous substances has occurred, or may occur,  
16 from or related to Grantee's Cable System. In removing or modifying Grantee's facilities as  
17 provided in this Franchise, Grantee shall also remove all residue of hazardous substances related  
18 thereto.

19 (C) Grantee agrees to indemnify the City against any claims, costs, and expenses, of  
20 any kind, whether direct or indirect, incurred by the City arising out of a release of hazardous  
21 substances caused by Grantee's Cable System.

22 10.12 Locates

23 Prior to doing any work in the Right-of-Way, Grantee shall give appropriate notices to the  
24 City and to the notification association established in C.R.S. Section 9-1.5-105, as such may be  
25 amended from time to time.

1           Within forty-eight (48) hours after any City bureau or franchisee, licensee, or permittee  
2 notifies Grantee of a proposed Right-of-Way excavation, Grantee shall, at Grantee's expense:

3           (A)     Mark on the surface all of its located underground facilities within the area of the  
4 proposed excavation;

5           (B)     Notify the excavator of any unlocated underground facilities in the area of the  
6 proposed excavation; or

7           (C)     Notify the excavator that Grantee does not have any underground facilities in the  
8 vicinity of the proposed excavation.

9           10.13 Notice to Private Property Owners

10           Grantee shall give notice to private property owners of work on or adjacent to private  
11 property in accordance with the City's Customer Service Standards, as the same may be amended  
12 from time to time by the City Council acting by Ordinance or resolution.

13           10.14 Underground Construction and Use of Poles

14           (A)     When required by general ordinances, resolutions, regulations, or rules of the City  
15 or applicable state or federal law, Grantee's Cable System shall be placed underground at Grantee's  
16 expense unless funding is generally available for such relocation to all users of the Rights-of-Way.  
17 Placing facilities underground does not preclude the use of ground-mounted appurtenances.

18           (B)     Where electric, telephone, and other above-ground utilities are installed  
19 underground at the time of Cable System construction, or when all such wiring is subsequently  
20 placed underground, all Cable System lines shall also be placed underground with other wireline  
21 service at no expense to the City or Subscribers unless funding is generally available for such  
22 relocation to all users of the Rights-of-Way. Related Cable System equipment, such as pedestals,  
23 must be placed in accordance with the City's applicable code requirements and rules. In areas  
24 where either electric or telephone utility wiring is aerial, the Grantee may install aerial cable, except  
25 when a property owner or resident requests underground installation and agrees to bear the

1 additional cost in excess of aerial installation.

2 (C) The Grantee shall utilize existing poles and conduit wherever possible.

3 (D) In the event Grantee cannot obtain the necessary poles and related facilities  
4 pursuant to a pole attachment agreement, and only in such event, then it shall be lawful for Grantee  
5 to make all needed excavations in the Rights-of-Way for the purpose of placing, erecting, laying,  
6 maintaining, repairing, and removing poles, supports for wires, and conductors, and any other  
7 facility needed for the maintenance or extension of Grantee's Cable System. All poles of Grantee  
8 shall be located as designated by the proper City authorities.

9 (E) This Franchise does not grant, give, or convey to the Grantee the right or privilege  
10 to install its facilities in any manner on specific utility poles or equipment of the City or any other  
11 Person. Copies of agreements for the use of poles, conduits, or other utility facilities must be  
12 provided upon request by the City.

13 (F) The Grantee and the City recognize that situations may occur in the future where  
14 the City may desire to place its own cable or conduit for Fiber Optic cable in trenches or bores  
15 opened by the Grantee. The Grantee agrees to cooperate with the City in any construction by the  
16 Grantee that involves trenching or boring, provided that the City has first notified the Grantee in  
17 some manner that it is interested in sharing the trenches or bores in the area where the Grantee's  
18 construction is occurring. The Grantee shall allow the City to lay its cable, conduit, and Fiber  
19 Optic cable in the Grantee's trenches and bores, provided there is reasonable space available and the  
20 City shares in the cost of the trenching and boring on the same terms and conditions as the Grantee.  
21 The City shall be responsible for maintaining its respective cable, conduit, and Fiber Optic cable  
22 buried in the Grantee's trenches and bores under this paragraph.

23 10.15 Undergrounding of Multiple Dwelling Unit Drops

24 In cases of single site Multiple Dwelling Units, Grantee shall minimize the number of  
25 individual aerial drop cables by installing multiple drop cables underground between the pole and

1 Multiple Dwelling Unit where determined to be technologically feasible in agreement with the  
2 owners and/or owner's association of the Multiple Dwelling Units.

3 10.16 Burial Standards

4 (A) Depths. Unless otherwise required by law, Grantee, and its contractors, shall  
5 comply with the following burial depth standards. In no event shall Grantee be required to bury its  
6 cable deeper than electric or gas facilities, or existing telephone facilities in the same portion of the  
7 Right-of-Way, so long as those facilities have been buried in accordance with Applicable Law:

8           Underground cable drops from the curb shall be buried at a  
9           minimum depth of twelve (12) inches, unless a sprinkler system or  
10          other construction concerns preclude it, in which case,  
11          underground cable drops shall be buried at a depth of at least six  
12          (6) inches.

13          Feeder lines shall be buried at a minimum depth of eighteen (18) inches.

14          Trunk lines shall be buried at a minimum depth of thirty-six (36) inches.

15          Fiber Optic cable shall be buried at a minimum depth of thirty-six (36) inches.

16          In the event of a conflict between this subsection and the provisions of any customer  
17 service standard, this subsection shall control.

18 (B) Timeliness. Cable drops installed by Grantee to residences shall be buried  
19 according to these standards within one calendar week of initial installation, or at a time mutually-  
20 agreed upon between the Grantee and the Subscriber. When freezing surface conditions prevent  
21 Grantee from achieving such timetable, Grantee shall apprise the Subscriber of the circumstances  
22 and the revised schedule for burial, and shall provide the Subscriber with Grantee's telephone  
23 number and instructions as to how and when to call Grantee to request burial of the line if the  
24 revised schedule is not met.

1           10.17 Cable Drop Bonding

2           Grantee shall ensure that all cable drops are properly bonded at the home, consistent with  
3 applicable code requirements.

4           10.18 Prewiring

5           Any ordinance or resolution of the City which requires prewiring of subdivisions or other  
6 developments for electrical and telephone service shall be construed to include wiring for Cable  
7 Systems.

8           10.19 Repair and Restoration of Property

9           (A)    The Grantee shall protect public and private property from damage. If damage  
10 occurs, the Grantee shall promptly notify the property owner within twenty-four (24) hours in  
11 writing.

12           (B)    Whenever Grantee disturbs or damages any Right-of-Way, other public property or  
13 any private property, Grantee shall promptly restore the Right-of-Way or property to at least its  
14 prior condition, normal wear and tear excepted, at its own expense.

15           (C)    Rights-of-Way and Other Public Property. Grantee shall warrant any restoration  
16 work performed by or for Grantee in the Right-of-Way or on other public property in accordance  
17 with Applicable Law. If restoration is not satisfactorily performed by the Grantee within a  
18 reasonable time, the City may, after prior notice to the Grantee, or without notice where the  
19 disturbance or damage may create a risk to public health or safety, cause the repairs to be made and  
20 recover the cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized  
21 list of those costs, including the costs of labor, materials, and equipment, the Grantee shall pay the  
22 City.

23           (D)    Private Property. Upon completion of the work which caused any disturbance or  
24 damage, Grantee shall promptly commence restoration of private property, and will use best efforts  
25 to complete the restoration within seventy-two (72) hours, considering the nature of the work that

1 must be performed. Grantee shall also perform such restoration in accordance with the City's  
2 Customer Service Standards, as the same may be amended from time to time by the City Council  
3 acting by ordinance or resolution.

4 10.20 Use of Conduits by the City

5 The City may install or affix and maintain wires and equipment owned by the City for City  
6 purposes in or upon any and all of Grantee's ducts, conduits, or equipment in the Rights-of-Way  
7 and other public places if such placement does not interfere with Grantee's use of its facilities,  
8 without charge to the City, to the extent space therein or thereon is reasonably available, and  
9 pursuant to all applicable ordinances and codes. This right shall not extend to affiliates of Grantee  
10 who have facilities in the right-of-way for the provision of non-cable services. For the purposes of  
11 this subsection, "City purposes" includes, but is not limited to, the use of the structures and  
12 installations for City fire, police, traffic, water, telephone, and/or signal systems, but not for Cable  
13 Service or transmission to third parties of telecommunications or information services in  
14 competition with Grantee. Grantee shall not deduct the value of such use of its facilities from its  
15 Franchise Fee payments or from other fees payable to the City.

16 10.21 Common Users

17 (A) For the purposes of this subsection:

18 (1) "Attachment" means any wire, optical fiber, or other cable, and any related  
19 device, apparatus, or auxiliary equipment, for the purpose of voice, video, or data  
20 transmission.

21 (2) "Conduit" or "Conduit Facility" means any structure, or section thereof,  
22 containing one or more Ducts, conduits, manholes, hand-hole, or other such facilities in  
23 Grantee's Cable System.

24 (3) "Duct" means a single enclosed raceway for cables, Fiber Optics, or other  
25 wires.

1           (4) "Licensee" means any Person licensed or otherwise permitted by the City  
2 to use the Rights-of-Way.

3           (5) "Surplus Ducts or Conduits" are Conduit Facilities other than those  
4 occupied by Grantee or any prior Licensee, or unoccupied Ducts held by Grantee as  
5 emergency use spares, or other unoccupied Ducts that Grantee reasonably expects to use  
6 within two (2) years from the date of a request for use.

7           (B) Grantee acknowledges that the Rights-of-Way have a finite capacity for containing  
8 Conduits. Therefore, Grantee agrees that, whenever the City determines it is impracticable to  
9 permit construction of an underground Conduit system by any other Person which may at the time  
10 have authority to construct or maintain Conduits or Ducts in the Rights-of-Way, but excluding  
11 Persons providing Cable Services in competition with Grantee, the City may require Grantee to  
12 afford to such Person the right to use Grantee's Surplus Ducts or Conduits in common with Grantee,  
13 pursuant to the terms and conditions of an agreement for use of Surplus Ducts or Conduits entered  
14 into by Grantee and the Licensee. Nothing herein shall require Grantee to enter into an agreement  
15 with such Person if, in Grantee's reasonable determination, such an agreement could compromise  
16 the integrity of the Cable System.

17           (C) A Licensee occupying part of a Duct shall be deemed to occupy the entire Duct.

18           (D) Grantee shall give a Licensee a minimum of one hundred twenty (120) days' notice  
19 of its need to occupy a licensed Conduit and shall propose that the Licensee take the first feasible  
20 action as follows:

21           (1) Pay revised Conduit rent designed to recover the cost of retrofitting the  
22 Conduit with multiplexing, Fiber Optics, or other space-saving technology sufficient to  
23 meet Grantee's space needs;

24           (2) Pay revised Conduit rent based on the cost of new Conduit constructed to  
25 meet Grantee's space needs;

1 (3) Vacate the needed Ducts or Conduit; or

2 (4) Construct and maintain sufficient new Conduit to meet Grantee's space  
3 needs.

4 (E) When two or more Licensees occupy a section of Conduit Facility, the last  
5 Licensee to occupy the Conduit Facility shall be the first to vacate or construct new Conduit. When  
6 Conduit rent is revised because of retrofitting, space-saving technology, or construction of new  
7 Conduit, all Licensees shall bear the increased cost.

8 (F) All Attachments shall meet local, state, and federal clearance and other safety  
9 requirements, be adequately grounded and anchored, and meet the provisions of contracts executed  
10 between Grantee and the Licensee. Grantee may, at its option, correct any attachment deficiencies  
11 and charge the Licensee for its costs. Each Licensee shall pay Grantee for any fines, fees, damages,  
12 or other costs the Licensee's attachments cause Grantee to incur.

13 (G) In order to enforce the provisions of this subsection with respect to Grantee, the  
14 City must demonstrate that it has required all similarly situated users of the Rights-of-Way to  
15 comply with the provisions of this subsection.

16 10.22 Acquisition of Facilities

17 Upon Grantee's acquisition of Cable System-related facilities in any City Right-of-Way, or  
18 upon the addition to the City of any area in which Grantee owns or operates any such facility,  
19 Grantee shall, at the City's request, submit to the City a statement describing all such facilities  
20 involved, whether authorized by franchise, permit, license, or other prior right, and specifying the  
21 location of all such facilities to the extent Grantee has possession of such information. Such Cable  
22 System-related facilities shall immediately be subject to the terms of this Franchise.

23 10.23 Discontinuing Use/Abandonment of Cable System Facilities

24 Whenever Grantee intends to discontinue using any facility within the Rights-of-Way,  
25 Grantee shall submit for the City's approval a complete description of the facility and the date on

1 | which Grantee intends to discontinue using the facility. Grantee may remove the facility or request  
2 | that the City permit it to remain in place. Notwithstanding Grantee's request that any such facility  
3 | remain in place, the City may require Grantee to remove the facility from the Right-of-Way or  
4 | modify the facility to protect the public health, welfare, safety, and convenience, or otherwise serve  
5 | the public interest. The City may require Grantee to perform a combination of modification and  
6 | removal of the facility. Grantee shall complete such removal or modification in accordance with a  
7 | schedule set by the City. Until such time as Grantee removes or modifies the facility as directed by  
8 | the City, or until the rights to and responsibility for the facility are accepted by another Person  
9 | having authority to construct and maintain such facility, Grantee shall be responsible for all  
10 | necessary repairs and relocations of the facility, as well as maintenance of the Right-of-Way, in the  
11 | same manner and degree as if the facility were in active use, and Grantee shall retain all liability for  
12 | such facility. If Grantee abandons its facilities, the City may choose to use such facilities for any  
13 | purpose whatsoever including, but not limited to, Access purposes.

14 |       10.24 Movement of Cable System Facilities For City Purposes

15 |       The City shall have the right to require Grantee to relocate, remove, replace, modify, or  
16 | disconnect Grantee's facilities and equipment located in the Rights-of-Way or on any other property  
17 | of the City for public purposes, in the event of an emergency, or when the public health, safety, or  
18 | welfare requires such change (for example, without limitation, by reason of traffic conditions,  
19 | public safety, Right-of-Way vacation, Right-of-Way construction, change or establishment of  
20 | Right-of-Way grade, installation of sewers, drains, gas or water pipes, or any other types of  
21 | structures or improvements by the City for public purposes). Such work shall be performed at the  
22 | Grantee's expense. Except during an emergency, the City shall provide reasonable notice to  
23 | Grantee, not to be less than forty-five (45) business days, and allow Grantee with the opportunity to  
24 | perform such action. In the event of any capital improvement project exceeding \$500,000 in  
25 | expenditures by the City which requires the removal, replacement, modification, or disconnection

1 of Grantee's facilities or equipment, the City shall provide at least sixty (60) days' written notice to  
2 Grantee. Following notice by the City, Grantee shall relocate, remove, replace, modify, or  
3 disconnect any of its facilities or equipment within any Right-of-Way, or on any other property of  
4 the City. If the City requires Grantee to relocate its facilities located within the Rights-of-Way, the  
5 City shall make a reasonable effort to provide Grantee with an alternate location within the Rights-  
6 of-Way. If funds are generally made available to users of the Rights-of-Way for such relocation,  
7 Grantee shall be entitled to its pro rata share of such funds.

8 If the Grantee fails to complete this work within the time prescribed and to the City's  
9 satisfaction, the City may cause such work to be done and bill the cost of the work to the Grantee,  
10 including all costs and expenses incurred by the City due to Grantee's delay. In such event, the  
11 City shall not be liable for any damage to any portion of Grantee's Cable System. Within thirty  
12 (30) days of receipt of an itemized list of those costs, the Grantee shall pay the City.

#### 13 10.25 Reimbursement of Grantee Costs

14 Grantee specifically reserves any rights it may have under Applicable Law for  
15 reimbursement of costs related to undergrounding or relocation of the Cable System and nothing  
16 herein shall be construed as a waiver of such rights.

#### 17 10.26 Movement of Cable System Facilities for Other Franchise Holders

18 If any removal, replacement, modification, or disconnection of the Cable System is  
19 required to accommodate the construction, operation, or repair of the facilities or equipment of  
20 another City franchise holder, Grantee shall, after at least thirty (30) days' advance written notice,  
21 take action to effect the necessary changes requested by the responsible entity. Grantee shall  
22 require that the costs associated with the removal or relocation be paid by the benefited party.

#### 23 10.27 Temporary Changes for Other Permittees

24 At the request of any Person holding a valid permit and upon reasonable advance notice,  
25 Grantee shall temporarily raise, lower, or remove its wires as necessary to permit the moving of a

1 building, vehicle, equipment, or other item. The expense of such temporary changes must be paid  
2 by the permit holder, and Grantee may require a reasonable deposit of the estimated payment in  
3 advance.

#### 4 10.28 Reservation of City Use of Right-of-Way

5 Nothing in this Franchise shall prevent the City or public utilities owned, maintained, or  
6 operated by public entities other than the City from constructing sewers; grading, paving, repairing,  
7 or altering any Right-of-Way; laying down, repairing, or removing water mains; or constructing or  
8 establishing any other public work or improvement. All such work shall be done, insofar as  
9 practicable, so as not to obstruct, injure, or prevent the use and operation of Grantee's Cable  
10 System.

#### 11 10.29 Tree Trimming

12 Grantee may prune or cause to be pruned, using proper pruning practices, any tree in the  
13 City's Rights-of-Way which interferes with Grantee's Cable System. Grantee shall comply with any  
14 general ordinance or regulations of the City regarding tree trimming. Except in emergencies,  
15 Grantee may not prune trees at a point below thirty (30) feet above sidewalk grade until one (1)  
16 week written notice has been given to the occupant and owner, if known, of the premises abutting  
17 the Right-of-Way in or over which the tree is growing. The owner or occupant of the abutting  
18 premises may prune such tree at his or her own expense during this one (1) week period. If the  
19 owner or occupant fails to do so, Grantee may prune such tree at its own expense. For purposes of  
20 this subsection, emergencies exist when it is necessary to prune to protect the public or Grantee's  
21 facilities from imminent danger only.

#### 22 10.30 Inspection of Construction and Facilities

23 The City may inspect any of Grantee's facilities, equipment, or construction at any time  
24 upon at least twenty-four (24) hours' notice, or, in case of emergency, upon demand without prior  
25 notice. The City shall have the right to charge generally applicable inspection fees therefore. If an

1 unsafe condition is found to exist, the City, in addition to taking any other action permitted under  
2 Applicable Law, may order Grantee, in writing, to make the necessary repairs and alterations  
3 specified therein forthwith to correct the unsafe condition by a time the City establishes. The City  
4 has the right to correct, inspect, administer, and repair the unsafe condition if Grantee fails to do so,  
5 and to charge Grantee therefore.

6 10.31 Stop Work

7 (A) On notice from the City that any work is being performed contrary to the  
8 provisions of this Franchise, or in an unsafe or dangerous manner as determined by the City, or in  
9 violation of the terms of any applicable permit, laws, regulations, ordinances, or standards, the work  
10 may immediately be stopped by the City.

11 (B) The stop work order shall:

- 12 (1) Be in writing;
- 13 (2) Be given to the Person doing the work, or posted on the work site;
- 14 (3) Be sent to Grantee by overnight delivery at the address given herein;
- 15 (4) Indicate the nature of the alleged violation or unsafe condition; and
- 16 (5) Establish conditions under which work may be resumed.

17 10.32 Work of Contractors and Subcontractors

18 Grantee's contractors and subcontractors shall be licensed and bonded in accordance with  
19 the City's ordinances, regulations, and requirements. Work by contractors and subcontractors is  
20 subject to the same restrictions, limitations, and conditions as if the work were performed by  
21 Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors  
22 and others performing work on its behalf as if the work were performed by it, and shall ensure that  
23 all such work is performed in compliance with this Franchise and other Applicable Law, and shall  
24 be jointly and severally liable for all damages and correcting all damage caused by them. It is  
25 Grantee's responsibility to ensure that contractors, subcontractors, or other Persons performing

1 work on Grantee's behalf are familiar with the requirements of this Franchise and other Applicable  
2 Law governing the work performed by them.

3 **Section 11. Cable System, Technical Standards, and Testing.**

4 11.1 Subscriber Network

5 (A) Grantee's Cable System shall be equivalent to or exceed technical characteristics of  
6 a traditional HFC 750 MHz Cable System and provide Activated Two-Way capability. The Cable  
7 System shall be capable of supporting video and audio. The Cable System shall deliver no less than  
8 one hundred ten (110) Channels of digital video programming services to Subscribers, provided  
9 that the Grantee reserves the right to use the bandwidth in the future for other uses based on market  
10 factors.

11 (B) Equipment must be installed so that all closed captioning programming received by  
12 the Cable System shall include the closed caption signal so long as the closed caption signal is  
13 provided consistent with FCC standards. Equipment must be installed so that all local signals  
14 received in stereo or with secondary audio tracks (broadcast and Access) are retransmitted in those  
15 same formats.

16 (C) All construction shall be subject to the City's permitting process.

17 (D) Grantee and City shall meet, at the City's request, to discuss the progress of the  
18 design plan and construction.

19 (E) Grantee will take prompt corrective action if it finds that any facilities or  
20 equipment on the Cable System are not operating as expected, or if it finds that facilities and  
21 equipment do not comply with the requirements of this Franchise or Applicable Law.

22 (F) Grantee's construction decisions shall be based solely upon legitimate engineering  
23 decisions and shall not take into consideration the income level of any particular community within  
24 the Franchise Area.

25 11.2 Technology Assessment

1 (A) The City may notify Grantee on or after five (5) years after the Effective Date, that  
2 the City will conduct a technology assessment of Grantee's Cable System. The technology  
3 assessment may include, but is not be limited to, determining whether Grantee's Cable System  
4 technology and performance are consistent with current technical practices and range and level of  
5 services existing in the fifteen (15) largest U.S. cable systems owned and operated by Grantee's  
6 Parent Corporation and/or Affiliates pursuant to franchises that have been renewed or extended  
7 since the Effective Date.

8 (B) Grantee shall cooperate with the City to provide necessary non-confidential and  
9 proprietary information upon the City's reasonable request as part of the technology assessment.

10 (C) At the discretion of the City, findings from the technology assessment may be  
11 included in any proceeding commenced for the purpose of identifying future cable-related  
12 community needs and interests undertaken by the City pursuant to 47 U.S.C. §546.

13 11.3 Standby Power

14 Grantee's Cable System Headend shall be capable of providing at least twelve (12) hours of  
15 emergency operation. In addition, throughout the term of this Franchise, Grantee shall have a plan  
16 in place, along with all resources necessary for implementing such plan, for dealing with outages of  
17 more than four (4) hours. This outage plan and evidence of requisite implementation resources  
18 shall be presented to the City no later than thirty (30) days following receipt of a request.

19 11.4 Emergency Alert Capability

20 Grantee shall provide an operating Emergency Alert System ("EAS") throughout the term  
21 of this Franchise in compliance with FCC standards. Grantee shall test the EAS as required by the  
22 FCC. Upon request, the City shall be permitted to participate in and/or witness the EAS testing up  
23 to twice a year on a schedule formed in consultation with Grantee. If the test indicates that the EAS  
24 is not performing properly, Grantee shall make any necessary adjustment to the EAS, and the EAS  
25 shall be retested.

1           11.5   Technical Performance

2           The technical performance of the Cable System shall meet or exceed all applicable federal  
3 (including, but not limited to, the FCC), state, and local technical standards, as they may be  
4 amended from time to time, regardless of the transmission technology utilized. The City shall have  
5 the full authority permitted by Applicable Law to enforce compliance with these technical  
6 standards.

7           11.6   Cable System Performance Testing

8           (A)   Grantee shall, at Grantee's expense, perform the following tests on its Cable  
9 System:

- 10                   (1)   All tests required by the FCC;
- 11                   (2)   All other tests reasonably necessary to determine compliance with  
12 technical standards adopted by the FCC at any time during the term of this Franchise; and
- 13                   (3)   All other tests as otherwise specified in this Franchise.

14           (B)   At a minimum, Grantee's tests shall include:

- 15                   (1)   Cumulative leakage index testing of any new construction;
- 16                   (2)   Semi-annual compliance and proof of performance tests in conformance  
17 with generally accepted industry guidelines;
- 18                   (3)   Tests in response to Subscriber complaints;
- 19                   (4)   Periodic monitoring tests, at intervals not to exceed six (6) months, of  
20 Subscriber (field) test points, the Headend, and the condition of standby power supplies;  
21 and
- 22                   (5)   Cumulative leakage index tests, at least annually, designed to ensure that  
23 one hundred percent (100%) of Grantee's Cable System has been ground or air tested for  
24 signal leakage in accordance with FCC standards.

25           (C)   Grantee shall maintain written records of all results of its Cable System tests,

1 performed by or for Grantee. Copies of such test results will be provided to the City upon  
2 reasonable request.

3 (D) If the FCC no longer requires proof of performance tests for Grantee's Cable  
4 System during the term of this Franchise, Grantee agrees that it shall continue to conduct proof of  
5 performance tests on the Cable System in accordance with the standards that were in place on the  
6 Effective Date, or any generally applicable standards later adopted, at least once a year, and provide  
7 written results of such tests to the City upon request.

8 (E) The FCC semi-annual testing is conducted in January/February and July/August of  
9 each year. If the City contacts Grantee prior to the next test period (*i.e.*, before December 15 and  
10 June 15 respectively of each year), Grantee shall provide City with no less than seven (7) days prior  
11 written notice of the actual date(s) for FCC compliance testing. If City notifies Grantee by the  
12 December 15th and June 15th dates that it wishes to have a representative present during the next  
13 test(s), Grantee shall cooperate in scheduling its testing so that the representative can be present.  
14 Notwithstanding the above, all technical performance tests may be witnessed by representatives of  
15 the City.

16 (F) Grantee shall be required to promptly take such corrective measures as are  
17 necessary to correct any performance deficiencies fully and to prevent their recurrence as far as  
18 possible. Grantee's failure to correct deficiencies identified through this testing process shall be a  
19 material violation of this Franchise. Sites shall be re-tested following correction.

20 11.7 Additional Tests

21 Where there exists other evidence that, in the judgment of the City, casts doubt upon the  
22 reliability or technical quality of Cable Service, the City shall have the right and authority to require  
23 Grantee to test, analyze, and report on the performance of the Cable System. Grantee shall fully  
24 cooperate with the City in performing such testing and shall prepare the results and a report, if  
25 requested, within thirty (30) days after testing. Such report shall include the following information:

- 1 (A) the nature of the complaint or problem which precipitated the special tests;
- 2 (B) the Cable System component tested;
- 3 (C) the equipment used and procedures employed in testing;
- 4 (D) the method, if any, in which such complaint or problem was resolved; and
- 5 (E) any other information pertinent to said tests and analysis which may be required.

6 **Section 12. Service Availability, Interconnection, and Service to Schools and**  
7 **Public Buildings.**

8 12.1 Service Availability

9 (A) In General. Except as otherwise provided in herein, Grantee shall provide Cable  
10 Service within seven (7) days of a request by any Person within the City. For purposes of this  
11 Section, a request shall be deemed made on the date of signing a service agreement, receipt of funds  
12 by Grantee, receipt of a written request by Grantee or receipt by Grantee of a verified verbal  
13 request. Except as otherwise provided herein, Grantee shall provide such service:

14 (1) With no line extension charge except as specifically authorized elsewhere  
15 in this Franchise Agreement.

16 (2) At a non-discriminatory installation charge for a standard installation,  
17 consisting of a 125 foot drop connecting to an inside wall for Residential Subscribers, with  
18 additional charges for non standard installations computed according to a non  
19 discriminatory methodology for such installations, adopted by Grantee and provided in  
20 writing to the City; and

21 (3) At non discriminatory monthly rates for Residential Subscribers.

22 (B) Service to Multiple Dwelling Units. Consistent with this Section 12.1, the Grantee  
23 shall offer the individual units of a Multiple Dwelling Unit all Cable Services offered to other  
24 Dwelling Units in the City; provided, however, that any such offering is conditioned upon the  
25 Grantee having legal access to said unit. The City acknowledges that the Grantee cannot control

1 the dissemination of particular Cable Services beyond the point of demarcation at a Multiple  
2 Dwelling Unit.

3 (C) Customer Charges for Extensions of Service. Grantee agrees to extend its Cable  
4 System to all persons living in areas with a residential density of thirty (30) residences per mile of  
5 cable-bearing strand feet of trunk or distribution cable. If the residential density is less than thirty  
6 (30) residences per 5,280 cable-bearing strand feet of trunk or distribution cable, service may be  
7 made available on the basis of a capital contribution in aid of construction, including cost of  
8 material, labor, and easements. For the purpose of determining the amount of capital contribution in  
9 aid of construction to be borne by the Grantee and customers in the area in which service may be  
10 expanded, the Grantee will contribute an amount equal to the construction and other costs per mile,  
11 multiplied by a fraction whose numerator equals thirty (30), less the actual number of residences  
12 per 5,280 cable-bearing strand feet of its trunk or distribution cable and whose denominator equals  
13 thirty (30). Customers who request service hereunder will bear the remainder of the construction  
14 and other costs on a pro rata basis. The Grantee may require that the payment of the capital  
15 contribution in aid of construction borne by such potential customers be paid in advance.

16 12.2 Connection of Public Facilities

17 (A) Grantee shall, at no cost to the City, provide one outlet of Basic Service to all City  
18 owned and occupied buildings, schools, and public libraries located in areas where Grantee  
19 provides Cable Service, so long as these facilities are already served or the interconnection point on  
20 these facilities is located within 150 feet of the distribution point on the Cable System, from which  
21 Cable Service can be provided to these facilities. For purposes of this subsection, "school" means  
22 all State-accredited K-12 public and private schools. Such obligation to provide free Cable Service  
23 shall not extend to areas of City buildings where the Grantee would normally enter into a  
24 commercial contract to provide such Cable Service (e.g., golf courses, airport restaurants and  
25 concourses, and recreation center work out facilities) and such Cable Service shall not be located in

1 public waiting areas or used to entertain the public nor shall they be used in a way that might  
2 violate copyright laws. Outlets of Basic Service provided in accordance with this subsection may  
3 be used to distribute Cable Services throughout such buildings, provided such distribution can be  
4 accomplished without causing Cable System disruption and provided that general technical  
5 standards are maintained. Such outlets may only be used for lawful purposes. The Cable Service  
6 provided shall not be distributed beyond the originally installed outlets without authorization from  
7 Grantee, which shall not be unreasonably withheld.

8 (B) The City acknowledges that the provision of one outlet of Basic Service to all City  
9 owned and occupied buildings, schools, and public libraries reflects a voluntary initiative on the  
10 part of the Grantee. Grantee does not waive any rights it may have regarding complimentary  
11 services under federal law or regulation. Subject to Applicable Law, should Grantee elect to offset  
12 governmental complimentary services against Franchise Fees, Grantee shall first provide the City  
13 with ninety (90) days' prior written notice.

14 **Section 13. Franchise Violations.**

15 13.1 Procedure for Remedying Franchise Violations

16 (A) If the City reasonably believes that Grantee has failed to perform any obligation  
17 under this Franchise or has failed to perform in a timely manner, the City shall notify Grantee in  
18 writing, stating with reasonable specificity the nature of the alleged default. Grantee shall have  
19 thirty (30) days from the receipt of such notice to:

20 (1) respond to the City, contesting the City's assertion that a default has  
21 occurred, and requesting a meeting in accordance with subsection (B), below;

22 (2) cure the default; or,

23 (3) notify the City that Grantee cannot cure the default within the thirty (30)  
24 days, because of the nature of the default. In the event the default cannot be cured within  
25 thirty (30) days, Grantee shall promptly take all reasonable steps to cure the default and

1 notify the City in writing and in detail as to the exact steps that will be taken and the  
2 projected completion date. In such case, the City may set a meeting in accordance with  
3 subsection (B) below to determine whether additional time beyond the thirty (30) days  
4 specified above is indeed needed, and whether Grantee's proposed completion schedule and  
5 steps are reasonable.

6 (B) If Grantee does not cure the alleged default within the cure period stated above, or  
7 by the projected completion date under subsection (A)(3), or denies the default and requests a  
8 meeting in accordance with (A)(1), or the City orders a meeting in accordance with subsection  
9 (A)(3), the City shall set a meeting to investigate said issues or the existence of the alleged default.  
10 The City shall notify Grantee of the meeting in writing and such meeting shall take place no less  
11 than thirty (30) days after Grantee's receipt of notice of the meeting. At the meeting, Grantee shall  
12 be provided an opportunity to be heard and to present evidence in its defense.

13 (C) If, after the meeting, the City determines that a default exists, the City shall order  
14 Grantee to correct or remedy the default or breach within fifteen (15) days or within such other  
15 reasonable time frame as the City shall determine. In the event Grantee does not cure within such  
16 time to the City's reasonable satisfaction, the City may:

17 (1) Recommend the revocation of this Franchise pursuant to the procedures in  
18 subsection 13.2; or,

19 (2) Recommend any other legal or equitable remedy available under this  
20 Franchise or any Applicable Law.

21 (D) The determination as to whether a violation of this Franchise has occurred shall be  
22 within the discretion of the City, provided that any such final determination may be subject to  
23 appeal to a court of competent jurisdiction under Applicable Law.

24 13.2 Revocation

25 (A) In addition to revocation in accordance with other provisions of this Franchise, the

1 City may revoke this Franchise and rescind all rights and privileges associated with this Franchise  
2 in the following circumstances, each of which represents a material breach of this Franchise:

3 (1) If Grantee fails to perform any material obligation under this Franchise or  
4 under any other agreement, ordinance, or document regarding the City and Grantee;

5 (2) If Grantee willfully fails for more than forty-eight (48) hours to provide  
6 continuous and uninterrupted Cable Service;

7 (3) If Grantee attempts to evade any material provision of this Franchise or to  
8 practice any fraud or deceit upon the City or Subscribers;

9 (4) If Grantee becomes insolvent, or if there is an assignment for the benefit of  
10 Grantee's creditors; or

11 (5) If Grantee makes a material misrepresentation of fact in the application for  
12 or negotiation of this Franchise.

13 (B) Following the procedures set forth in subsection 13.1 and prior to forfeiture or  
14 termination of the Franchise, the City shall give written notice to the Grantee of its intent to revoke  
15 the Franchise and set a date for a revocation proceeding. The notice shall set forth the exact nature  
16 of the noncompliance.

17 (C) Any proceeding under the paragraph above shall be conducted by the City Council  
18 and open to the public. Grantee shall be afforded at least forty-five (45) days prior written notice of  
19 such proceeding.

20 (1) At such proceeding, Grantee shall be provided a fair opportunity for full  
21 participation, including the right to be represented by legal counsel, to introduce evidence,  
22 and to question witnesses. A complete verbatim record and transcript shall be made of  
23 such proceeding and the cost shall be shared equally between the parties. The City Council  
24 shall hear any Persons interested in the revocation, and shall allow Grantee, in particular, an  
25 opportunity to state its position on the matter.

1           (2)     Within ninety (90) days after the hearing, the City Council shall determine  
2 whether to revoke the Franchise and declare that the Franchise is revoked; or if the breach  
3 at issue is capable of being cured by Grantee, direct Grantee to take appropriate remedial  
4 action within the time and in the manner and on the terms and conditions that the City  
5 Council determines are reasonable under the circumstances. If the City determines that the  
6 Franchise is to be revoked, the City shall set forth the reasons for such a decision and shall  
7 transmit a copy of the decision to the Grantee. Grantee shall be bound by the City's  
8 decision to revoke the Franchise unless it appeals the decision to a court of competent  
9 jurisdiction within fifteen (15) days of the date of the decision.

10           (3)     Grantee shall be entitled to such relief as the Court may deem appropriate.

11           (4)     The City Council may at its sole discretion take any lawful action which it  
12 deems appropriate to enforce the City's rights under the Franchise in lieu of revocation of  
13 the Franchise.

14     13.3   Procedures in the Event of Termination or Revocation

15           (A)     If this Franchise expires without renewal after completion of all processes available  
16 under this Franchise and federal law or is otherwise lawfully terminated or revoked, the City may,  
17 subject to Applicable Law:

18           (1)     Allow Grantee to maintain and operate its Cable System on a month-to-  
19 month basis or short-term extension of this Franchise for not less than six (6) months,  
20 unless a sale of the Cable System can be closed sooner or Grantee demonstrates to the  
21 City's satisfaction that it needs additional time to complete the sale; or

22           (2)     Purchase Grantee's Cable System in accordance with the procedures set  
23 forth in subsection 13.4, below.

24           (B)     In the event that a sale has not been completed in accordance with subsections  
25 (A)(1) and/or (A)(2) above, the City may order the removal of the above-ground Cable System

1 facilities and such underground facilities from the City at Grantee's sole expense within a  
2 reasonable period of time as determined by the City. In removing its plant, structures, and  
3 equipment, Grantee shall refill, at its own expense, any excavation that is made by it and shall leave  
4 all Rights-of-Way, public places, and private property in as good condition as that prevailing prior  
5 to Grantee's removal of its equipment, without affecting the electrical or telephone cable wires or  
6 attachments. The indemnification and insurance provisions shall remain in full force and effect  
7 during the period of removal, and Grantee shall not be entitled to, and agrees not to request,  
8 compensation of any sort therefore.

9 (C) If Grantee fails to complete any removal required by subsection 13.3 (B) to the  
10 City's satisfaction, after written notice to Grantee, the City may cause the work to be done and  
11 Grantee shall reimburse the City for the costs incurred within thirty (30) days after receipt of an  
12 itemized list of the costs.

13 (D) The City may seek legal and equitable relief to enforce the provisions of this  
14 Franchise.

15 13.4 Purchase of Cable System

16 (A) If at any time this Franchise is revoked, terminated, or not renewed upon expiration  
17 in accordance with the provisions of federal law, the City shall have the option to purchase the  
18 Cable System.

19 (B) The City may, at any time thereafter, offer in writing to purchase Grantee's Cable  
20 System. Grantee shall have thirty (30) days from receipt of a written offer from the City within  
21 which to accept or reject the offer.

22 (C) In any case where the City elects to purchase the Cable System, the purchase shall  
23 be closed within one hundred twenty (120) days of the date of the City's audit of a current profit and  
24 loss statement of Grantee. The City shall pay for the Cable System in cash or certified funds, and  
25 Grantee shall deliver appropriate bills of sale and other instruments of conveyance.

1 (D) For the purposes of this subsection, the price for the Cable System shall be  
2 determined as follows:

3 (1) In the case of the expiration of the Franchise without renewal, at fair  
4 market value determined on the basis of Grantee's Cable System valued as a going concern,  
5 but with no value allocated to the Franchise itself. In order to obtain the fair market value,  
6 this valuation shall be reduced by the amount of any lien, encumbrance, or other obligation  
7 of Grantee which the City would assume.

8 (2) In the case of revocation for cause, the equitable price of Grantee's Cable  
9 System.

10 13.5 Receivership and Foreclosure

11 (A) At the option of the City, subject to Applicable Law, this Franchise may be  
12 revoked one hundred twenty (120) days after the appointment of a receiver or trustee to take over  
13 and conduct the business of Grantee whether in a receivership, reorganization, bankruptcy, or other  
14 action or proceeding, unless:

15 (1) The receivership or trusteeship is vacated within one hundred twenty (120)  
16 days of appointment; or

17 (2) The receivers or trustees have, within one hundred twenty (120) days after  
18 their election or appointment, fully complied with all the terms and provisions of this  
19 Franchise, and have remedied all defaults under the Franchise. Additionally, the receivers  
20 or trustees shall have executed an agreement duly approved by the court having  
21 jurisdiction, by which the receivers or trustees assume and agree to be bound by each and  
22 every term, provision and limitation of this Franchise.

23 (B) If there is a foreclosure or other involuntary sale of the whole or any part of the  
24 plant, property, or equipment of Grantee, the City may serve notice of revocation on Grantee and to  
25 the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be

1 revoked thirty (30) days after service of such notice, unless:

2 (1) The City has approved the transfer of the Franchise, in accordance with the  
3 procedures set forth in this Franchise and as provided by law; and

4 (2) The purchaser has covenanted and agreed with the City to assume and be  
5 bound by all of the terms and conditions of this Franchise.

6 13.6 No Monetary Recourse Against the City

7 Grantee shall not have any monetary recourse against the City or its officers, officials,  
8 boards, commissions, agents, or employees for any loss, costs, expenses, or damages arising out of  
9 any provision or requirement of this Franchise or the enforcement thereof, in accordance with the  
10 provisions of applicable federal, state, and local law. The rights of the City under this Franchise are  
11 in addition to, and shall not be read to limit, any immunities the City may enjoy under federal, state,  
12 or local law.

13 13.7 Alternative Remedies

14 No provision of this Franchise shall be deemed to bar the right of the City to seek or obtain  
15 judicial relief from a violation of any provision of the Franchise or any rule, regulation,  
16 requirement, or directive promulgated thereunder. Neither the existence of other remedies  
17 identified in this Franchise nor the exercise thereof shall be deemed to bar or otherwise limit the  
18 right of the City to recover monetary damages for such violations by Grantee, or to seek and obtain  
19 judicial enforcement of Grantee's obligations by means of specific performance, injunctive relief or  
20 mandate, or any other remedy at law or in equity.

21 13.8 Assessment of Monetary Damages

22 (A) The City may assess against Grantee monetary damages (i) up to five hundred  
23 dollars (\$500) per day for general construction delays, violations of PEG obligations, or payment  
24 obligations; (ii) up to two hundred fifty dollars (\$250) per day for any other material breaches; or  
25 (iii) up to one hundred dollars (\$100) per day for defaults; or collect the assessment as specified in

1 this Franchise. Damages pursuant to this Section shall accrue for a period not to exceed one  
2 hundred twenty (120) days per violation proceeding. Such damages shall accrue beginning thirty  
3 (30) days following Grantee's receipt of the notice required by subsection 13.1(A), or such later  
4 date if approved by the City in its sole discretion, but may not be assessed until after the procedures  
5 in subsection 13.1 have been completed.

6 (B) The assessment does not constitute a waiver by City of any other right or remedy it  
7 may have under the Franchise or Applicable Law, including its right to recover from Grantee any  
8 additional damages, losses, costs, and expenses that are incurred by City by reason of the breach of  
9 this Franchise.

10 13.9 Effect of Abandonment

11 If the Grantee abandons its Cable System during the Franchise term, or fails to operate its  
12 Cable System in accordance with its duty to provide continuous service, the City, at its option, may  
13 operate the Cable System; designate another entity to operate the Cable System temporarily until  
14 the Grantee restores service under conditions acceptable to the City, or until the Franchise is  
15 revoked and a new franchisee is selected by the City; or obtain an injunction requiring the Grantee  
16 to continue operations. If the City is required to operate or designate another entity to operate the  
17 Cable System, the Grantee shall reimburse the City or its designee for all reasonable costs,  
18 expenses, and damages incurred.

19 13.10 What Constitutes Abandonment

20 The City shall be entitled to exercise its options in subsection 13.9 if:

21 (A) The Grantee fails to provide Cable Service in accordance with this Franchise over a  
22 substantial portion of the Franchise Area for four (4) consecutive days, unless the City authorizes a  
23 longer interruption of service; or

24 (B) The Grantee, for any period, willfully and without cause refuses to provide Cable  
25 Service in accordance with this Franchise.

1           **Section 14.     Franchise Renewal and Transfer.**

2           14.1   Renewal

3           (A)    The City and Grantee agree that any proceedings undertaken by the City that relate  
4 to the renewal of the Franchise shall be governed by and comply with the provisions of Section 626  
5 of the Cable Act, unless the procedures and substantive protections set forth therein shall be  
6 deemed to be preempted and superseded by the provisions of any subsequent provision of federal or  
7 state law.

8           (B)    In addition to the procedures set forth in said Section 626(a), the City agrees to  
9 notify Grantee of the completion of its assessments regarding the identification of future cable-  
10 related community needs and interests, as well as the past performance of Grantee under the then  
11 current Franchise term. Notwithstanding anything to the contrary set forth herein, Grantee and City  
12 agree that at any time during the term of the then current Franchise, while affording the public  
13 adequate notice and opportunity for comment, the City and Grantee may agree to undertake and  
14 finalize negotiations regarding renewal of the then current Franchise and the City may grant a  
15 renewal thereof. Grantee and City consider the terms set forth in this subsection to be consistent  
16 with the express provisions of Section 626 of the Cable Act.

17           (C)    Should the Franchise expire without a mutually agreed upon, renewed Franchise  
18 Agreement, and Grantee and City are engaged in an informal or formal renewal process, the  
19 Franchise shall continue on a month-to-month basis, with the same terms and conditions as  
20 provided in the Franchise, and the Grantee and City shall continue to comply with all obligations  
21 and duties under the Franchise.

22           14.2   Transfer of Ownership or Control

23           (A)    The Cable System and this Franchise shall not be sold, assigned, transferred,  
24 leased, or disposed of, either in whole or in part, either by involuntary sale, by voluntary sale,  
25 merger, or consolidation; nor shall title thereto, either legal or equitable, or any right, interest, or

1 property therein pass to or vest in any Person or entity without the prior written consent of the City,  
2 which consent shall be by the City Council, acting by ordinance/resolution.

3 (B) The Grantee shall promptly notify the City of any actual or proposed change in,  
4 transfer of, or acquisition by any other party of control of the Grantee. The word "control" as used  
5 herein is not limited to majority stockholders but includes actual working control in whatever  
6 manner exercised. Every change, transfer, or acquisition of control of the Grantee shall make this  
7 Franchise subject to cancellation unless and until the City shall have consented in writing thereto.

8 (C) The parties to the sale or transfer shall make a written request to the City for its  
9 approval of a sale or transfer and furnish all information required by law and the City.

10 (D) In seeking the City's consent to any change in ownership or control, the proposed  
11 transferee shall indicate whether it:

12 (1) Has ever been convicted or held liable for acts involving deceit including  
13 any violation of federal, state, or local law or regulations, or is currently under an  
14 indictment, investigation, or complaint charging such acts;

15 (2) Has ever had a judgment in an action for fraud, deceit, or misrepresentation  
16 entered against the proposed transferee by any court of competent jurisdiction;

17 (3) Has pending any material legal claim, lawsuit, or administrative  
18 proceeding arising out of or involving a cable system or a broadband system;

19 (4) Is financially solvent, evidenced by submitting financial data including  
20 financial statements that are audited by a certified public accountant who may also be an  
21 officer of the transferee, along with any other data that the City may reasonably require;  
22 and

23 (5) Has the financial, legal, and technical capability to enable it to maintain  
24 and operate the Cable System for the remaining term of the Franchise.

25 (E) The City shall act by ordinance on the request within one hundred twenty (120)

1 days of the request, provided it has received all information required by this Franchise and/or by  
2 Applicable Law. The City and the Grantee may by mutual agreement, at any time, extend the 120  
3 day period. Subject to the foregoing, if the City fails to render a final decision on the request within  
4 one hundred twenty (120) days, such request shall be deemed granted unless the requesting party  
5 and the City agree to an extension of time.

6 (F) Within thirty (30) days of any transfer or sale, if approved or deemed granted by  
7 the City, Grantee shall file with the City a copy of the deed, agreement, lease, or other written  
8 instrument evidencing such sale or transfer of ownership or control, certified and sworn to as  
9 correct by Grantee and the transferee, and the transferee shall file its written acceptance agreeing to  
10 be bound by all of the provisions of this Franchise, subject to Applicable Law. In the event of a  
11 change in control, in which the Grantee is not replaced by another entity, the Grantee will continue  
12 to be bound by all of the provisions of the Franchise, subject to Applicable Law, and will not be  
13 required to file an additional written acceptance.

14 (G) In reviewing a request for sale or transfer, the City may inquire into the legal,  
15 technical, and financial qualifications of the prospective controlling party or transferee, and Grantee  
16 shall assist the City in so inquiring. The City may condition said sale or transfer upon such terms  
17 and conditions as it deems reasonably appropriate, in accordance with Applicable Law.

18 (H) Notwithstanding anything to the contrary in this subsection, the prior approval of  
19 the City shall not be required for any sale, assignment, or transfer of the Franchise or Cable System  
20 to an entity controlling, controlled by, or under the same common control as Grantee, provided that  
21 the proposed assignee or transferee must show financial responsibility as may be determined  
22 necessary by the City and must agree in writing to comply with all of the provisions of the  
23 Franchise. Further, Grantee may pledge the assets of the Cable System for the purpose of financing  
24 without the consent of the City; provided that such pledge of assets shall not impair or mitigate  
25 Grantee's responsibilities and capabilities to meet all of its obligations under the provisions of this

1 Franchise.

2 **Section 15. Severability.**

3 If any Section, subsection, paragraph, term, or provision of this Franchise is determined to  
4 be illegal, invalid, or unconstitutional by any court or agency of competent jurisdiction, such  
5 determination shall have no effect on the validity of any other Section, subsection, paragraph, term,  
6 or provision of this Franchise, all of which will remain in full force and effect for the term of the  
7 Franchise.

15 subcontracts hereunder. Throughout the term of this Franchise, Grantee shall fully comply with all

23 16.7 Waiver

24 The failure of the City at any time to require performance by the Grantee of any provision  
25 hereof shall in no way affect the right of the City hereafter to enforce the same. Nor shall the

1 waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any  
2 succeeding breach of such provision, or as a waiver of the provision itself or any other provision.

3 16.8 Reasonableness of Consent or Approval

4 Whenever under this Franchise "reasonableness" is the standard for the granting or denial
