Section 11. Special Limited Obligations. The Bonds and all payments of principal, premium, if any, and interest thereon (whether at maturity or on a redemption date), and the obligations of the City for all other payments, fees, costs, interest and expenses of the City under this ordinance and under the Related Documents, including all payments due from the City under a Qualified Exchange Agreement, shall be special limited obligations of the City. The principal of, premium, if any, and interest on the Bonds and all obligations under the Related Documents shall be payable solely from the Pledged Revenues, after payment of any Superior Tax Obligations (and, in the case of Exchange Termination Payments, after payment of the Bonds and any Parity Obligations), which revenues are hereby pledged. However, the Bonds are also payable from accrued interest, if any, payable on the Bonds on the closing date, and any Insured Bonds are payable from proceeds of any Bond Insurance Policy.

Owners of the Bonds and the parties under the Related Documents, including a Qualified Counterparty, may not look to any general or other fund of the City for the payment of the principal of or interest on, or the fees, costs and expenses relating to, such obligations, except

the designated special funds pledged therefor. Neither the Bonds nor the obligations of the City under the Related Documents shall constitute an indebtedness of the City within the meaning of any constitutional, charter or statutory prohibition or limitation, nor shall they be considered or held to be general obligations of the City, and the Bonds and any Qualified Exchange Agreement shall recite that they are payable and collectible solely out of the Pledged Revenues, after payment of any Superior Tax Obligations (and, in the case of Exchange Termination Payments, after payment of the Bonds and any Parity Tax Obligations), and from the other sources stated in this Section, and that the owners of the Bonds and the parties under the Related Documents, including a Qualified Counterparty, may not look to any general or other municipal fund for the payment of the principal or interest, as applicable, on the Bonds or for the payment of any amounts owed under the Related Documents.

Nothing herein shall prevent or prohibit the City from applying other funds of the City legally available therefor to the payment or redemption of the Bonds, in its sole discretion.

Section 12. Form of Bonds, Certificate of Authentication and Assignment. The 2009 Bonds, Registrar's Certificate of Authentication and Form of Assignment shall be in substantially the following forms, with such changes therein as are not inconsistent with this ordinance:

This bond is fully transferable by the registered owner hereof in person or by his duly authorized attorney on the registration books kept by the Registrar upon surrender of this bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon such transfer a new fully registered bond of authorized denomination or denominations of the same aggregate principal amount and maturity will be issued to the transferee in exchange for this bond, subject to such terms and conditions as set forth in the Bond Ordinance. This bond is one of a series of bonds designated "City of Santa Fe College of Santa Fe Lease Subordinate Lien Gross Receipts Tax Revenue Bonds, Series 2009," of like tenor and date, except as to interest rate, number and maturity, authorized for the purpose of acquiring and improving land, buildings and other property owned by the College of Santa Fe, all as set forth in the Bond Ordinance.

This bond does not constitute an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation, shall not be considered or be held to be a general obligation of the City, and is payable and collectible solely out of the City's Pledged Tax Revenues and Pledged Lease Revenues pursuant to the pledge made by and as defined in the Bond Ordinance, which revenues are so pledged; and the holder of this bond may not look to any general or other fund for the payment of the principal and interest on this obligation, except the special funds pledged therefor. The bonds of the series of which this bond is one are equally and ratably secured by a subordinate lien on the City's Pledged Tax Revenues; the Bonds constitute an irrevocable and subordinate lien, but not necessarily an exclusive subordinate lien, upon the Pledged Tax Revenues. Additional bonds and other obligations, in addition to the bonds of the series of which this bond is one, may be issued and made payable from the City's Pledged Tax Revenues having a lien thereon inferior and junior to the lien or, subject to designated conditions, having a lien thereon on a parity with,

or superior to the lien of the bonds of the series of which this bond is one, in accordance with the provisions of the Bond Ordinance.

In addition, the bonds of the series of which this bond is one are equally and ratably secured by a lien on the City's Pledged Lease Revenues; the Bonds constitute an irrevocable first lien upon the Pledged Lease Revenues. Additional bonds or other obligations may be issued and made payable from the City's Pledged Lease Revenues, in accordance with the provisions of the Bond Ordinance.

The City covenants and agrees with the registered owner of this bond and with each and every person who may become the registered owner hereof that it will keep and perform all of the covenants of the Bond Ordinance.

This bond is subject to the conditions, and every registered owner hereof by accepting the same agrees with the obligor and every subsequent registered owner hereof that the principal of and the interest on this bond shall be paid, and this bond is transferable, free from, and without regard to any equities between the obligor and the original or any intermediate registered owner hereof for any setoffs or cross-claims.

It is further certified, recited and warranted that all the requirements of law have been fully complied with by the City Council and officers of the City in the issuance of this bond; and that it is issued pursuant to and in strict conformity with the Constitution and laws of the State of New Mexico, and particularly the terms and provisions of Sections 3-31-1 through 3-31-12, NMSA 1978, as amended, and all laws thereunto enabling and supplemental thereto.

A. Purchaser Not Responsible. The validity of the Bonds is not dependent on nor affected by the validity or regularity of any proceedings related to the completion of the Refunding Project as defined in this ordinance. Section 19. Continuance of Funds. The City hereby continues the following special and separate trust funds:

A. State-Shared Gross Receipts Tax Revenue Fund. The "City of Santa Fe, New Mexico State-Shared Gross Receipts Tax Revenue Account of the General Fund of the City" to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the State-Shared Gross Receipts Tax Revenues.

B. One-Half Percent Municipal Gross Receipts Tax Revenue Fund. maintained by the City and deposited in an Insured Bank, into which the City shall deposit the Environmental Services Gross Receipts Tax Revenues.

The amount of monthly deposits to be made into each of the funds described above in this Section 19 shall include the portion of the gross receipts tax distribution to the City to be made pursuant to Chapter 116, Section 1, Session Laws 2004, which represents the amount of State-Shared Gross Receipts Tax Revenues, One-Half Percent Municipal Gross Receipts Tax Revenues, and Infrastructure Gross Receipts Tax Revenues that would have been remitted to the City but for the deductions (effective January 1, 2005) provided by Sections 7-9-92 and 7-9-93 NMSA 1978 and any similar distributions made to the City in lieu of State-Shared Gross Receipts Tax Revenues, One-Half Percent Municipal Gross Receipts Tax Revenues and Infrastructure Gross Receipts Tax Revenues pursuant to law.

E. Lease Revenue Fund. The "City of Santa Fe, New Mexico Lease Revenue Fund" to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the Pledged Lease Revenues. So long as any of the Bonds are outstanding, the Pledged Lease Revenues shall be set aside and deposited into the Lease Revenue Fund.

Section 20. Administration of Lease Revenue Fund and Pledged Tax Revenue Funds.

A. Administration of Lease Revenue Fund. So long as any of the Bonds shall be outstanding, the following payments shall be made from the Lease Revenue Fund:

(1) Bond Fund Payments. First, the following amounts shall be withdrawn from the Lease Revenue Fund and credited to the "City of Santa Fe, New Mexico College of Santa Fe/Subordinate Lien Gross Receipts Tax Revenue Bonds, Series 2009, Bond Service Fund" (the "Bond Fund") hereby created:

(a) Interest Payments. Monthly, commencing on the first day of the first month following the delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the next maturing installment of interest on the Bonds then outstanding and monthly thereafter commencing on each interest payment date, one-sixth (1/6th) of the amount necessary to pay the next maturing installment of interest on the outstanding Bonds, and

(b) Principal Payments. Monthly, commencing on the first day of the first month following delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefore, to pay the next maturing installment of principal on the Bonds and monthly thereafter commencing on each principal payment date, one-twelfth (1/12th) of the amount necessary to pay the next maturing installment of principal on the Bonds.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in subparagraphs A(1)(a) and A(1)(b) (whichever is applicable) above, may be appropriately reduced and the required monthly

amounts again shall be so credited to such account commencing on such interest payment date or principal payment date (whichever is applicable).

B. Administration of the Pledged Gross Receipts Tax Revenue Funds. So long as any of the Bonds are outstanding, the following payments shall be made from the Pledged Gross Receipts Tax Revenues:

(1) Firstly, as a first charge on the Pledged Tax Revenues, the amounts necessary to pay the Debt Service Requirements on Superior Tax Obligations now outstanding or hereafter issued, or to fund any reserve account as required by the terms of any ordinance authorizing the issuance of Superior Tax Obligations, shall be withdrawn first from the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, and if funds therein are insufficient, then if pledged for such Superior Tax Obligations, from the Infrastructure Gross Receipts Tax Revenue Fund, and, if pledged for such Superior Tax Obligations, from the Environmental Services Gross Receipts Tax Revenue Fund, if funds therein are insufficient, then from the State-Shared Gross Receipts Tax Revenue Fund in that order or in such other order as permitted or required by the authorizing ordinances, at the time prescribed in such authorizing ordinances.

(2) Second, but subject to and after the withdrawals authorized by the preceding paragraph B(1), so long as any of the Bonds shall be outstanding, to the extent that any monthly payment required to be made into the Bond Fund has not been made from the Lease Revenue Fund or from any other legally available source, the following amounts shall be withdrawn from the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, and from the Infrastructure Gross Receipts Tax Revenue Fund if the moneys in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund are not sufficient, and, if such moneys are insufficient, then from the State-Shared Gross Receipts Tax Revenue Fund (unless the City determines that such amounts shall be withdrawn from such funds in some other order), and credited to the Bond Fund:

(a) Interest Payments. Monthly, commencing on the first day of the first month following the delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the next maturing installment of interest on the Bonds then outstanding and monthly thereafter commencing on each interest payment date, one-sixth (1/6th) of the amount necessary to pay the next maturing installment of interest on the outstanding Bonds, and

(b) Principal Payments. Monthly, commencing on the first day of the first month following the delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefore, to pay the next maturing installment of principal on the Bonds and monthly thereafter commencing on each principal payment date, one-twelfth (1/12th) of the amount necessary to pay the next maturing installment of principal on the Bonds.

(3) Thirdly, but concurrently with the payments required by paragraph B(2) of this section, funds remaining in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, and if the funds therein are insufficient, then funds remaining in the

Infrastructure Gross Receipts Tax Revenue Fund, and if the funds therein are insufficient, then funds remaining in the State-Shared Gross Receipts Tax Revenue Fund and, if pledged therefor, funds remaining in the Environmental Services Gross Receipts Tax Revenue Fund, shall be used by the City to pay the Debt Service Requirements of such additional Parity Tax Obligations, if any, hereafter authorized to be issued and payable from Pledged Tax Revenues.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in subparagraphs 2(a) and (b) (whichever is applicable) of this paragraph, may be appropriately reduced and the required monthly amounts again shall be so credited to such account commencing on such interest payment date or principal payment date (whichever is applicable).

C. Termination Upon Deposits to Maturity. No payment need be made into the Bond Fund or the Reserve Fund if the amount in such funds (excluding the amount of any Reserve Fund Insurance Policy credited to the Reserve Fund) totals a sum at least equal to the entire amount of Bonds then outstanding, both as to principal and interest to their respective maturities, and both accrued and not accrued, in which case, moneys in the Bond Fund and the Reserve Fund in an amount at least equal to such principal and interest requirements shall be used solely to pay such as the same accrue and any moneys in excess thereof in the Bond Fund and the Reserve Fund and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the City.

D. Reserve Fund. Immediately upon the sale and delivery of the Bonds, a Reserve Fund Insurance Policy in an amount equal to the Minimum Reserve will be deposited into the Reserve Fund. The moneys in the Reserve Fund shall be maintained as a continuing reserve to be used, except as otherwise provided herein, only to prevent deficiencies in the payment of the principal of and interest on the Bonds resulting from failure to deposit into the Bond Fund sufficient funds to pay the principal and interest as the same accrue. If, on June 1 of any year, the amount on deposit in the Reserve Fund exceeds the amount of the Minimum Reserve, all amounts in excess of such Minimum Reserve may be transferred to the Bond Fund and used to pay principal of and interest on the Bonds.

The Minimum Reserve shall be funded from Bond proceeds, other legally available funds of the City or a Reserve Fund Insurance Policy. The City shall annually on or about July 1 of each year, commencing July 1, 2010, and at such other times as the City shall deem appropriate, establish the value of any Permitted Investment held in the Reserve Fund at current fair market value based on accepted industry standards. For purposes of determining the amount on deposit in the Reserve Fund, any Reserve Fund Insurance Policy held by, or the benefit of which is available to, the City as security for the 2009 Bonds shall be deemed to be a deposit in the face amount of the policy or the stated amount of the Credit Facility provided that, if the amount available under a Reserve Fund Insurance Policy has been reduced as a result of a payment having been made thereunder or as a result of the termination, cancellation or failure of such Reserve Fund Insurance Policy and not reinstated or another Reserve Fund Insurance Policy provided, then, in valuing the Reserve Fund, the value of such Reserve Fund Insurance Policy shall be reduced accordingly. If, upon any valuation, the value of the Reserve Fund exceeds the

Minimum Reserve, the excess amount shall be withdrawn and deposited into the Bond Fund; if the value is less than the applicable requirement, the City shall replenish such amounts from the first Pledged Revenues thereafter received not required to be otherwise applied or other monies legally available therefor.

At such time as the 2009 Bonds are paid in full or are deemed to be paid in full, moneys on deposit in the Reserve Fund may be used to pay the final installments of principal and interest on the 2009 Bonds and otherwise may be withdrawn and transferred to the City to be used for any lawful purpose, provided that, if such amounts are used for a purpose other than payment of the 2009 Bonds, there shall be delivered an opinion of nationally recognized bond counsel that the purpose for which such funds are to be used is a lawful purpose for which such proceeds may be used under the laws of the State of New Mexico and that such use shall not result in the inclusion of interest on any 2009 Bonds in gross income of the recipient thereof for federal income tax purposes.

If moneys have been withdrawn from the Reserve Fund or a payment has been made under a Reserve Fund Insurance Policy constituting all or a portion of the Reserve Fund, and deposited into the Bond Fund to prevent a default on the 2009 Bonds, then the City will pay, from Pledged Revenues or other monies legally available therefor, the full amount so withdrawn, together with interest, if any, required under the terms of the Reserve Fund Insurance Policy, or so much as shall be required to restore the Reserve Fund to the Minimum Reserve and to pay such interest, if any. Such repayment from Pledged Revenues shall be made as required by Paragraph E of this Section 20.

The City may in part, or in whole, replace moneys in the Reserve Fund with a Reserve Fund Insurance Policy if the City receives written notification from the rating agency providing the rating for the 2009 Bonds that such rating will be unaffected by the substitution.

E. Defraying Delinquencies in the Bond Fund and the Reserve Fund; Use of Moneys in Reserve Fund and Bond Fund. If amounts in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, the Infrastructure Gross Receipts Tax Revenue Fund and the State-Shared Gross Receipts Tax Revenue Fund are insufficient to make the payments required by paragraph B(2) of this Section 20, then an amount shall be paid into the Bond Fund from the Reserve Fund equal to the difference between (i) the amounts paid in from the Pledged Recreation Complex Revenue Fund, the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, the Infrastructure Gross Receipts Tax Revenue Fund, and the State-Shared Gross Receipts Tax Revenue Fund and (ii) the stipulated amount. The money so used shall be replaced in the Reserve Fund (if necessary to maintain the amount on deposit therein in an amount equal to the Minimum Reserve) from the first Pledged Lease Revenues and Pledged Tax Revenues thereafter received not required to be otherwise applied. The moneys in the Reserve Fund shall be used solely as provided herein. The moneys in the Bond Fund shall be used solely and only for the purpose of paying the principal of and the interest on the Bonds issued under this ordinance; provided, however, that any moneys in the Bond Fund in excess of accrued and unaccrued principal and interest requirements to the respective maturities of the outstanding Bonds may be used in any lawful manner as provided in Paragraph C of this Section.

F. Payment of Additional Superior Tax Obligations, Parity Tax Obligations and Qualified Exchange Agreements. Second, either prior to, concurrently with or subsequent to the payments required by Paragraphs A and B of this Section 20, depending upon whether the additional Obligations are Superior Tax Obligations, Parity Tax Obligations or Subordinate Obligations as provided in this ordinance, the Pledged Tax Revenues shall be used by the City for the payment of Debt Service Requirements on additional Obligations, if any, hereafter authorized to be issued and payable from the Pledged Tax Revenues as the same accrue. In the event that such obligations are Parity Tax Obligations, the payments of Debt Service Requirements on such additional Obligations shall be made concurrently with the payments required by Paragraphs B and E of this Section 20 (provided that such payments may be made at any intervals as may be provided in the ordinance or resolution authorizing such additional Obligations). The following amounts required to be paid by the City shall be paid from Pledged Gross Receipts Tax Revenues with the same priority as other payments of Debt Service Requirements on Parity Tax Obligations:

(1) Any amount to reimburse or pay a bond insurer or reserve account insurer or guarantor, or to make payments or reimbursements pursuant to another Credit Facility, for payments of Debt Service Requirements made on Parity Tax Obligations; and amounts payable to a Qualified Counterparty under a Qualified Exchange Agreement, excluding Exchange Termination Payments, if such payments are designated in a City ordinance relating to that Qualified Exchange Agreement as having a lien on Pledged Revenues on a parity with the lien thereon of Parity Tax Obligations;

(2) Reimbursement of any reserve fund Credit Facility obtained for any issue of Parity Tax Obligations; and

(3) Cash deposits to any required reserve fund established with respect to any issue of Parity Tax Obligations.

Each payment of Debt Service Requirements on Parity Tax Obligations shall be transferred to the Paying Agent for payment of Parity Tax Obligations, or directly to a Qualified Counterparty, bond insurer, reserve account insurer or guarantor or other provider of a Credit Facility entitled to receive payments on Parity Tax Obligations, on or before the due date of such payment.

G. Payment of Expenses and Certain Obligations which are not Parity Tax Obligations. After and subject to the payments required, and provisions contained in, any of the preceding paragraphs of this Section, any remaining Pledged Gross Receipts Tax Revenues shall be used, to the extent necessary, for payment of: (i) any other amounts, expenses, fees and interest owed by the City relating to the issuance, delivery, servicing, payment, redemption and refunding of Parity Tax Obligations and (ii) other Obligations relating to Parity Tax Obligations owed by the City pursuant to the Related Documents, any Qualified Exchange Agreement (excluding Exchange Termination Payments), bond insurance policy, reserve fund insurance policy or similar documents which are not payable pursuant to any other prior paragraph of this Section.

H. Subordinate Obligations. After and subject to the payments required by, and provisions contained in, the preceding paragraphs of this Section, any remaining Pledged Tax Revenues, shall be used, as necessary, by the City for the payment of the principal of, premium, if any, and interest on all Obligations with a lien on the Pledged Tax Revenues which is subordinate and junior to the lien of the Parity Tax Obligations on Pledged Tax Revenues, including without limitation, any Exchange Termination Payments.

I. Use of Surplus Revenues. After making the payments required to be made by Paragraphs A to H, both inclusive, of this Section, the remaining Pledged Revenues, if any, may be applied to any other lawful purposes. The One-Half Percent Municipal Gross Receipts Tax Revenues received by the City pursuant to the One-Half Percent Municipal Gross Receipts Tax Ordinance shall be used only for the purposes authorized by that ordinance. The Infrastructure Gross Receipts Tax Revenues received by the City pursuant to the Infrastructure Gross Receipts Tax Ordinance shall be used only for the purposes authorized by that ordinance. The Environmental Services Gross Receipts Tax Revenues received by the City pursuant to the Environmental Services Gross Receipts Tax Ordinance shall be used only for the purposes authorized in that ordinance.

J. Variable Interest Rate. In making the computations required by this Section, interest on Obligations which bear a Variable Interest Rate shall be computed: (i) at the actual Variable Interest Rate or Variable Exchange Rate for the computation period, if such rate can be computed exactly, or (ii) if the Variable Interest Rate or Variable Exchange Rate cannot be computed exactly, at the actual rate for the immediately preceding computation period.

Section 21. General Administration of Funds. The funds and accounts designated in Sections 16 to 20, both inclusive, of this ordinance shall be administered as follows:

A. Investment of Money. Any moneys in any fund designated in Sections 16 through 20 may be invested in any Permitted Investments. The obligations so purchased as an investment of moneys in a fund shall be deemed at all times to be part of the fund, and the interest accruing thereon and any profit realized therefrom shall be credited to the fund, and any loss resulting from each investment shall be charged to the fund. The City Treasurer shall present for redemption or sale on the prevailing market any obligations so purchased as an investment of moneys in the fund whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such fund.

B. Deposits of Funds. Except for direct investments in Permitted Investments allowed by Paragraph A of this Section 21, the moneys and investments comprising each of the funds and accounts hereinabove designated in Sections 16 to 20, both inclusive, of this ordinance shall be maintained and kept separate from all other funds and accounts in an Insured Bank or Insured Banks. The amounts prescribed shall be paid to the appropriate funds as specified in Sections 16 through 20. Each payment shall be made into the proper bank account and credited to the proper fund not later than the last day designated; provided that when the designated date is a Sunday or a legal holiday, then such payment shall be made on the next preceding secular day. Nothing in this ordinance shall prevent the establishment of one such

bank account or more (or consolidation with any existing bank account), for all of the funds and accounts in Sections 16 to 20, both inclusive, of this ordinance.

Section 22. Lien on Pledged Revenues. The Pledged Tax Revenues, the Pledged Lease Revenues, and the amounts and securities on deposit in the Bond Fund and the Reserve Fund, and the proceeds thereof, are hereby authorized to be pledged to, and are hereby pledged, and the City grants a security interest therein, for the payment of the principal of, premium, if any, and interest on the Bonds, subject to the uses thereof permitted by, and the priorities set forth in, this ordinance. The Bonds constitute an irrevocable and subordinate lien (but not necessarily an exclusive subordinate lien) on the Pledged Tax Revenues on a parity with the lien thereon of Parity Bonds but subordinate to the lien thereon of Superior Tax Obligations. The Bonds constitute an irrevocable and first lien on the Pledged Lease Revenues.

Section 23. Additional Bonds and Other Obligations.

A. Limitations Upon Issuance of Additional Obligations. No provision of this ordinance shall be construed in such a manner as to prevent the issuance by the City of additional Obligations payable from Pledged Tax Revenues and constituting a lien upon such revenues prior and superior to the lien of the Bonds. Before any additional Superior Tax Obligations are issued, the conditions, if any, set forth in the ordinances authorizing the issuance of Superior Tax Obligations must be satisfied.

Before any additional Parity Tax Obligations are actually issued (excluding Refunding Bonds the proceeds of which are used to refund Parity Tax Obligations, as provided in Section 24, but including Parity Tax Obligations which are Refunding Bonds which refund subordinate obligations), the following conditions shall be met:

(i) The additional Parity Tax Obligations must be Obligations; and

(ii) The City shall then be current in all of the deposits required to be made with respect to Parity Tax Obligations (including, if applicable, any obligation to fund any reserve account required by the terms of any ordinance authorizing the issuance of any such Obligations); and

(iii) (a) No additional Parity Tax Obligations shall be issued unless Pledged Tax Revenues received for the Historic Test Period shall have been sufficient to pay an amount representing at least two hundred percent (200%) of the combined maximum annual Debt Service Requirements coming due in any subsequent Fiscal Year on the Bonds, on the then outstanding Superior Tax Obligations and Parity Tax Obligations, and the additional Parity Tax Obligations proposed to be issued (excluding any reserves therefor); and

(b) In making the computations required by this subparagraph (iii) other gross receipts tax revenues, including without limitation, the Environmental Services Gross Receipts Tax Revenues, received by the City, whether from distribution by the State or pursuant to gross receipts taxes imposed by the City (other than State-Shared Gross Receipts Tax Revenues) pledged to the Superior Tax Obligations, Parity Tax Obligations (including without

limitation, the 1996B Bonds), and the Parity Tax Obligations proposed to be issued, may be included only to the extent such gross receipts tax revenues are pledged to a particular series of such outstanding obligations or proposed Parity Tax Obligations and only to the extent of the maximum annual Debt Service Requirements on such outstanding obligations or proposed Parity Tax Obligations.

B. Subordinate and Other Obligations Permitted. No provision of this ordinance shall be construed in such a manner as to prevent the issuance by the City of additional Obligations payable from the Pledged Tax Revenues with a lien thereon subordinate and junior to the lien of the Bonds thereon, nor to prevent the issuance of Obligations refunding all or part of the Bonds as permitted by Section 24.

The City shall be permitted to issue additional Obligations payable from the Pledged Lease Revenues as set forth in the Sale Resolution.

C. Variable Interest Rate. In making the computations required by this Section and Section 24, Obligations which bear a Variable Interest Rate shall be deemed to bear interest at the maximum rate permitted for those obligations.

D. Certificate of City Treasurer. A written certificate or opinion of the City Treasurer that the Pledged Tax Revenues for the applicable Historic Test Period are sufficient to pay the amounts required in this Section shall be required in making a determination that the requirements set forth in this Section have been satisfied and shall be conclusively presumed to be accurate in determining that such requirements have been satisfied.

E. Bond Anticipation Notes. Whenever the City shall have authorized the issuance of Superior Tax Obligations or Parity Tax Obligations under the Act and the City shall, at the time, be permitted by the laws of the State to issue notes representing loans in anticipation of the sale of such Superior Tax Obligations or Parity Tax Obligations ("Bond Anticipation Notes"), the City may by resolution or ordinance authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such Superior Tax Obligations or Parity Tax Obligations, provided, however, that before any Bond Anticipation Notes are actually issued, the conditions of Section 23A shall be met. Bond Anticipation Notes shall not be issued in an amount exceeding the principal amount of the Superior Tax Obligations or Parity Tax Obligations in anticipation of the sale of which such notes are proposed to be issued.

For the purposes of determining compliance with this Section, as of the date of issuance of any Bond Anticipation Notes, the aggregate principal amount of all outstanding Bond Anticipation Notes (including such proposed Bond Anticipation Notes) shall never exceed the principal amount of a hypothetical issue of Superior Tax Obligations or Parity Tax Obligations which could be issued hereunder having an assumed final maturity of twenty (20) years, bearing an assumed rate of interest equal to the highest rate then borne by any Bond Anticipation Note then outstanding (or, if none, the interest rate borne by the proposed Bond Anticipation Notes to be issued) and having debt service due in each Fiscal Year in approximately equal amounts.

F. Put Obligations. In making the computations required by this Section and Section 24, the principal amount of any Put Obligations to be outstanding in the Fiscal Year when the combined maximum annual Debt Service Requirements come due shall be excluded from the maximum annual Debt Service Requirements only if the Credit Facility providing liquidity or standby purchase support for Put Obligations is rated, on the date the computations are made, "A" or better by Moody's or S&P (if such rating agencies are then rating the Bonds). If there is no Credit Facility for the Put Obligations or the rating requirement for the Credit Facility set forth in the preceding sentence is not satisfied, the principal amount of the Put Obligations to be outstanding in the Fiscal Year when combined maximum annual Debt Service Requirements come due shall be considered in computing maximum annual Debt Service Requirements.

Section 24. Refunding Bonds. The provisions of Section 23 hereof are subject to the following exceptions:

A. Privilege of Issuing Refunding Obligations. If at any time after the Bonds, or any part thereof, shall have been issued and remain outstanding, the City shall find it desirable to refund any outstanding Parity Obligations or other outstanding obligations payable from the said Pledged Revenues, said bonds or other obligations, or any part thereof, may be refunded (but only with the consent of the registered owner or owners thereof, unless the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the City's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed (except as provided in paragraph A of Section 23 and in paragraphs B and C of this Section 24).

B. Limitations Upon Issuance of Refunding Obligations. No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with the Bonds herein authorized, unless:

(1) The lien on the Pledged Revenues of the outstanding obligations so refunded is on a parity with the lien thereon of the Bonds herein authorized; or

(2) The refunding bonds or other refunding obligations are issued in compliance with Paragraph A of Section 23 of this ordinance.

C. Refunding Part of an Issue. The refunding bonds or other obligations so issued shall enjoy complete equality of lien with the portion of any bonds or other obligations of the same issue which is not refunded, if any there be; and the registered owner or owners of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the registered owner or owners of the bonds or other obligations of the same issue refunded thereby.

D. Limitations Upon Issuance of any Refunding Obligations. Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the City may by ordinance provide, subject to the inclusion of any such rights and privileges designated in Paragraph C of this Section 24, but without any impairment of any

contractual obligations imposed upon the City by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including but not necessarily limited to the issue herein authorized). If only a part of the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the registered owner or owners of the unrefunded portion of such obligations, unless:

(1) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest requirements evidenced by such refunding obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations, or

(2) The refunding bonds or other refunding obligations are issued in compliance with Paragraph A of Section 23 hereof, or

(3) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

E. Cross-over Refunding Bonds. If the refunding bonds to be issued are Cross-over Refunding Bonds, the ordinance providing for the issuance thereof shall provide (1) that until the date on which the principal portion of the related Obligations being refunded is to be paid or redeemed from the proceeds of such Cross-over Refunding Bonds, the Cross-over Refunding Bonds shall not be Parity Obligations and shall be payable solely from the escrow provided for in the related ordinance, and (2) a certificate of an Independent Accountant shall be prepared to demonstrate the sufficiency of the moneys and investments in the escrow to pay the principal of and interest on the Cross-over Refunding Bonds until the date on which the principal portion of the related Obligations being refunded is to be paid or redeemed and to pay or redeem the related Obligations being refunded.

Section 25. Equality of Bonds. The Bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of their issuance, it being the intention of the Governing Body that there shall be no priority among the Bonds regardless of the fact that they may be actually issued and delivered at different times.

Section 26. Protective Covenants. The City hereby covenants and agrees with each and every registered owner of the Bonds that:

A. Payment of Bonds Herein Authorized. The City will promptly pay the principal of and the interest on every Bond issued hereunder and secured hereby at the place, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof. Such principal and interest are payable solely from the Pledged Revenues. Nothing in the 2009 Bonds, any Qualified Exchange Agreement or this ordinance shall be construed as obligating the City to pay principal, premium, if any, or interest on any of the 2009 Bonds from, and the holders of the 2009 Bonds and any Qualified Counterparty may not look to, any general or other fund of the City, except those specifically set forth herein.

B. Records. So long as any of the Bonds remain outstanding, proper books of record and account will be kept by the City, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Tax Revenues and the Pledged Lease Revenues.

C. Audits. The City further agrees that it will, within 270 days following the close of each Fiscal Year, cause an audit of such books and accounts to be made by an Independent Accountant, showing the revenues and expenditures of the Pledged Revenues. The City agrees to furnish forthwith a copy of each of such audits and reports to the Purchaser upon request. Any such registered owner shall have the right to discuss, with the Independent Accountant or person making the audit, the report and the contents thereof and to ask for such additional information as he may reasonably require.

D. Extending Interest Payments. In order to prevent any accumulation of claims for interest after maturity, the City will not directly or indirectly extend or assent to extension of time for the payment of any claim for interest on any of the Bonds and it will not directly or indirectly be a party to or approve any arrangement for any such extension or for the purpose of keeping alive any of said interest; and in case the time for payment of any such interest shall be extended, such installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or security of this ordinance except subject to the prior payment in full of the principal of all Bonds issued hereunder and then outstanding, and of matured interest on such Bonds the payment of which has not been extended.

E. Performing Duties. The City will faithfully and punctually perform all duties with respect to the Project and the Bonds required by the Constitution and laws of the State of New Mexico and the ordinances and resolutions of the City including but not limited to the proper segregation of the Pledged Revenues and their application of the respective funds.

F. Other Liens. Other than the outstanding Subordinate Obligations, the outstanding Parity Obligations and the Bonds as recited in this ordinance, there are no liens or encumbrances of any nature whatsoever on or against the Pledged Revenues.

G. City's Existence. The City will maintain its corporate identity and existence so long as any of the Bonds herein authorized remain outstanding unless another political subdivision by operation of law succeeds to the duties, privileges, powers, liabilities, disabilities, immunities and rights of the City and is obligated by law to receive and distribute the Pledged Revenues in place of the City, without affecting to any substantial degree the privileges and rights of any registered Owner of any outstanding Bonds.

H. Duty With Respect to Pledged Revenues. If the statutes or any ordinance which materially affects the Pledged Revenues or any part of said ordinances, shall ever be held to be invalid or unenforceable, it shall be the duty of the City, to the extent authorized by law, to immediately take any action necessary to produce sufficient Pledged Revenues to comply with the contracted obligations of this ordinance.

I. Impairment of Contract. The City agrees that any law or ordinance or resolution of the City in any manner affecting the Pledged Revenues or the Bonds, or otherwise appertaining thereto, shall not be repealed or otherwise directly or indirectly modified, in such a manner as to impair adversely any Bonds outstanding, unless such Bonds have been discharged in full or provision has been fully made therefor, or unless the consent of the required percentage of the registered owners of the then outstanding Bonds is obtained pursuant to Section 34 of this ordinance.

J. Limitation on Superior Tax Obligations or Parity Tax Obligations with Variable Interest Rates. The City shall not issue Superior Tax Obligations or Parity Tax Obligations with a Variable Interest Rate which, at the time of issuance, are assigned a lower rating than the rating then assigned to the Bonds by Moody's or S&P, unless the written consent of such rating agency to a lower rating is obtained prior to issuance of such Superior Tax Obligations or Parity Tax Obligations.

K. Notice of Qualified Exchange Agreements to Rating Agencies. The City shall not enter into a Qualified Exchange Agreement which is a Parity Tax Obligation or with respect to any Tax Parity Obligations without first providing notice of such Qualified Exchange Agreement to Moody's and S&P and without first receiving written confirmation from Moody's and S&P that entering into such Qualified Exchange Agreement, in and of itself, would not result in a reduction of the ratings then assigned to the Bonds by Moody's and S&P.

L. Continuing Disclosure Undertaking. Authorized Officers of the City are authorized to sign such documents with respect to the City's continuing disclosure obligations as are necessary or desirable to comply with the Continuing Disclosure Undertaking and requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

Section 27. Defeasance. When all principal, any applicable prior redemption premium and interest in connection with the Bonds hereby authorized have been duly paid, the pledge and lien and all obligations hereunder shall thereby be discharged and the Bonds shall no longer be deemed to be outstanding within the meaning of this ordinance. There shall be deemed to be such due payment as to any Bond when the Governing Body has placed in escrow and in trust with a commercial bank located within or without the State of New Mexico and exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may initially be invested) to meet all requirements of principal, interest and any applicable prior redemption premium as the same become due to its maturity or designated redemption date as of which the City shall have exercised or obligated itself to exercise its option to call the Bond. The Federal Securities shall become due prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the Governing Body and such bank at the time of the creation of the escrow or the Federal Securities shall be subject to the redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. Federal Securities within the meaning of this Section shall include only direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America and which are not callable prior to maturity by the issuer of such obligations.

Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City, and all covenants, agreements and other obligations of the City to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners.

Section 28. Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal. If payment of the principal of any of the Bonds herein authorized to be issued shall not be made when the same become due and payable, either at maturity, or by proceedings for prior redemption, or otherwise; or

B. Nonpayment of Interest. If payment of any installment of interest shall not be made when the same becomes due and payable; or

C. Incapable to Perform. If the City shall for any reason be rendered incapable of fulfilling its obligations (but not including any obligation of the City under any Qualified Exchange Agreement) hereunder; or

D. Default of any Provision. If the City shall default in the due and punctual performance of its covenants or conditions, agreements and provisions contained in the Bonds or in this ordinance on its part to be performed (other than defaults described in Subparagraphs A, B and C of this Section 28), and if such default shall continue for 60 days after written notice specifying such default and requiring the same to be remedied shall have been given to the City by the registered owners of 25% in principal amount of the Bonds then outstanding. A default in the covenants relating to the Project shall not constitute, under any circumstance, an "event of default" hereunder so long as the City has paid the annual debt service due on the Bonds from other legally available funds or from Pledged Tax Revenues.

E. Bankruptcy or Insolvency of City. (1) The City shall (a) apply for or consent to the appointment of or the taking of possession by, a receiver, custodian, trustee, liquidator or the like of the City or of all or a substantial part of its property, (b) commence a voluntary case under the Federal Bankruptcy Code, or (c) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, or reorganization, or (2) a proceeding or case shall be commenced, without application or consent of the City, in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of the City, (b) appointment of a trustee, receiver, custodian, liquidator or the like of the City or of all or a substantial part of its assets, or (c) similar relief in respect of the City under any law relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts.

Section 29. Remedies of Defaults. Upon the happening and continuance of any of the events of default as provided in Section 28 of this Ordinance, then and in every case the

registered owner or owners of not less than 25% in principal amount of the Bonds then outstanding, including but not limited to a trustee or trustees, may proceed against the City, its Governing Body, and its agents, officers and employees to protect and enforce the rights of any registered owner of Bonds under this ordinance by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for specific performance of any covenant or agreement contained herein or award or execution of any power herein granted for the enforcement of any power, legal or equitable remedy as such registered owner or owners may deem most effectual to protect and enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any registered owner, or to require the Governing Body of the City to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all registered owners of the Bonds then outstanding. The failure of any such registered owner so to proceed shall not relieve the City or any of its officers, agents or employees of any liability for failure to perform any duty. Each right or privilege of any such registered owner (or trustee thereof) is in addition and cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any registered owner shall not be deemed a waiver of any other right or privilege thereof.

Section 30. Duties Upon Default. Upon the happening of any of the events of default as provided in Section 28 of this Ordinance, the City, in addition, will do and perform all proper acts on behalf of and for the registered owners of the Bonds to protect and preserve the security created for the payment of the principal of and interest on said Bonds promptly as the same become due. All proceeds derived from the Pledged Revenues, so long as any of the Bonds herein authorized, either as to principal or interest, are outstanding and unpaid, shall be paid into the proper fund and used for the purposes therein provided. In the event the City fails or refuses to proceed as in this Section provided, the registered owner or registered owners of not less than 25% in principal amount of the Bonds then outstanding, after demand in writing, may proceed to protect and enforce the rights of the registered owners as hereinabove provided.

Section 31. Enforcement. Any registered owner of any one or more of said Bonds, may, either by law or in equity, by suit, action, mandamus or other appropriate proceedings in any court of competent jurisdiction enforce the payment of principal of , interest on, or any prior redemption premium due in connection with any Bond on or after the date on which such payment is due, and may by suit, action, mandamus or other appropriate proceeding or proceedings enforce and compel the performance of such payment in accordance with the provisions of this ordinance.

Section 32. Separability. If any section, paragraph, clause or provision shall be held to be valid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this ordinance.

Section 33. Repealer Clause. All ordinances or parts of ordinances inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or part of any ordinance heretofore repealed.

Section 34. Amendment.

A. Limitations upon Amendments. This ordinance may be amended or supplemented by ordinance or resolution of the Council without the consent of registered owners:

(1) To cure any ambiguity, or to cure, correct or supplement any defect or inconsistent provision contained in this ordinance;

(2) To grant to the registered owners any additional rights, remedies, powers or authority that may lawfully be granted to them;

(3) To obtain or maintain a rating on the 2009 Bonds from any rating agency which amendment, in the judgment of Bond Counsel, does not materially adversely affect the registered owners of the 2009 Bonds;

(4) To achieve compliance with federal securities or laws;

(5) To make any other changes in this ordinance which, in the opinion of Bond Counsel, is not materially adverse to the registered owners; and

(6) To make any other changes in this ordinance in connection with the execution of a Qualified Exchange Agreement, which changes do not adversely affect the rating(s) assigned to the 2009 Bonds by Moody's and S&P (if such rating agencies are then rating the Series 2009 Bonds) and do not adversely affect the registered owners.

B. Additional Amendments. Except as provided above, this ordinance may only be amended or supplemented by ordinance adopted by the Council in accordance with the laws of the State, without receipt by the City of any additional consideration, but with the written consent of the registered owners of a majority of the principal amount of the Outstanding 2009 Bonds which are affected by the amendment or supplement (not including 2009 Bonds which are then owned by or for the account of the City); provided, however, that, without first obtaining the consent of all registered owners of the Outstanding 2009 Bonds, no such ordinances shall have the effect of permitting:

(1) An extension of the maturity of any Series 2009 Bond; or

(2) A reduction in the principal amount of, premium, if any, or interest rate on any Series 2009 Bond; or

(3) A reduction of the principal amount of 2009 Bonds required for consent to such amendment or supplement.

C. Proof of Instruments. The fact and date of the execution of any instrument under the provisions of this Section may be proved by the certificate of any officer in any jurisdiction who by the laws of that jurisdiction is authorized to take acknowledgments of deeds within that jurisdiction that the person signing the instrument acknowledged before him the

execution of that instrument, or may be proved by an affidavit of a witness to the execution sworn to before such officer.

D. Proof of 2009 Bonds. The principal amount and numbers of 2009 Bonds owned by any person executing such instrument and the date of holding that instrument may be proved by a certificate executed by a bank or trust company showing that on the date mentioned that person had on deposit with the bank or trust company the 2009 Bonds described in the certificate.

Section 35. Ordinance Irrepealable. After any of the Bonds herein authorized are issued, this ordinance shall be and remain irrepealable until the Bonds and interest thereon shall be fully paid, canceled and discharged as therein provided, or there has been defeasance as provided in Section 27 hereof.

Section 36. Effective Date, General Summary for Publication.

A. Effective Date. Upon due adoption of this ordinance, the ordinance shall be recorded and preserved by the City Clerk, authenticated by the signature of the Mayor and City Clerk, and the seal of the City impressed hereon, and the title and general summary of the subject matter contained in this ordinance (set out below) shall be published in a newspaper which maintains an office and is of general circulation in the City and this ordinance shall be in full force and effect after its publication in accordance with law.

B. Publication. Pursuant to Section 3-17-5, NMSA 1978, as amended, the title and a general summary of the subject matter contained in this ordinance shall be published in substantially the following form:
