EXCEPTIONS TO SPECIFICATIONS

Bidder must check one of the following:

- a.  All specifications, terms and conditions are met.
- b.  Exceptions have been taken and noted on attached sheet(s).

All variations and/or exceptions to the specifications must be documented, referencing applicable paragraph(s) and explained in detail. Attach as many pages as necessary. If no exceptions are taken, it will be assumed that the bid meets all specifications, terms and conditions as stated in this complete bid package. Failure to list exceptions may disqualify bid. Delivery of non-conforming goods or services is at the expense of the Bidder and/or other penalties.

All other specifications not detailed herein shall be as listed in the Offeror's printed literature for the current standard model. Offeror's printed literature and specifications sheets shall be submitted with the bid.

Exceptions will not necessarily eliminate the bid. Agency staff shall determine acceptance or non-acceptance of exceptions. Unless otherwise noted and approved, it is assumed that delivery of the goods or services shall be as stated.

Signed submission of this bid represents that the Bidder has accepted all specifications, terms and conditions of the bid unless a written exception is made and, if awarded, the bid will represent the agreement between the parties. Additionally, by signing this bid, the Bidder warrants that there was no collusion of any kind in submission of this bid.
